... Personalities

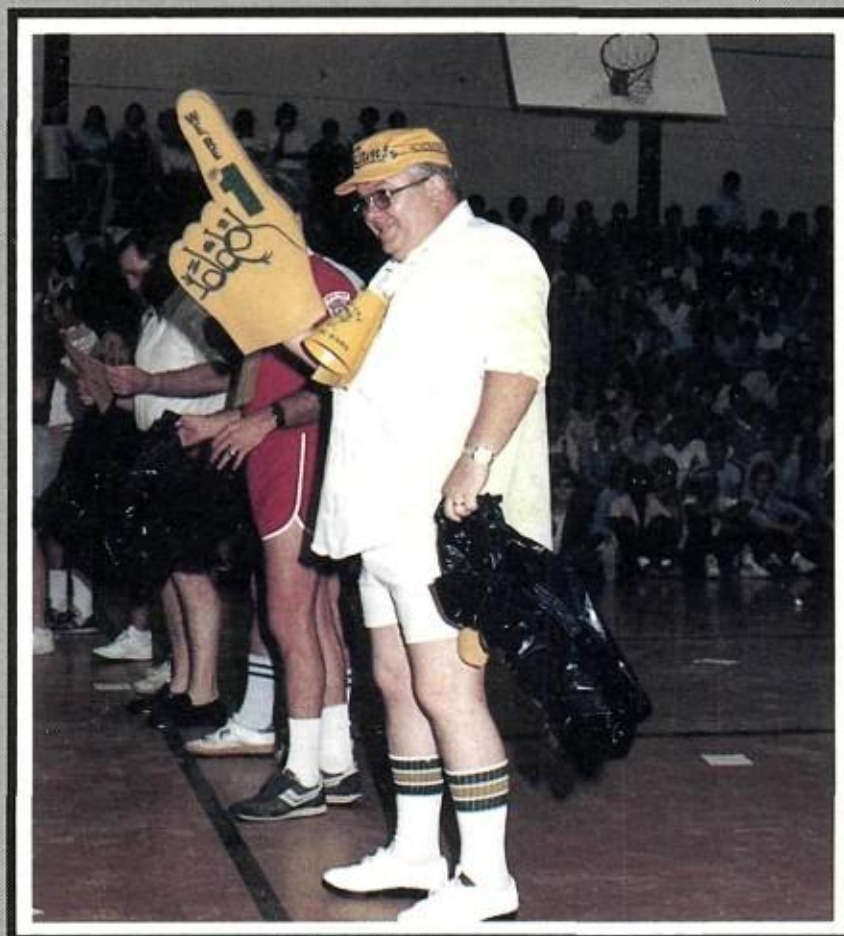

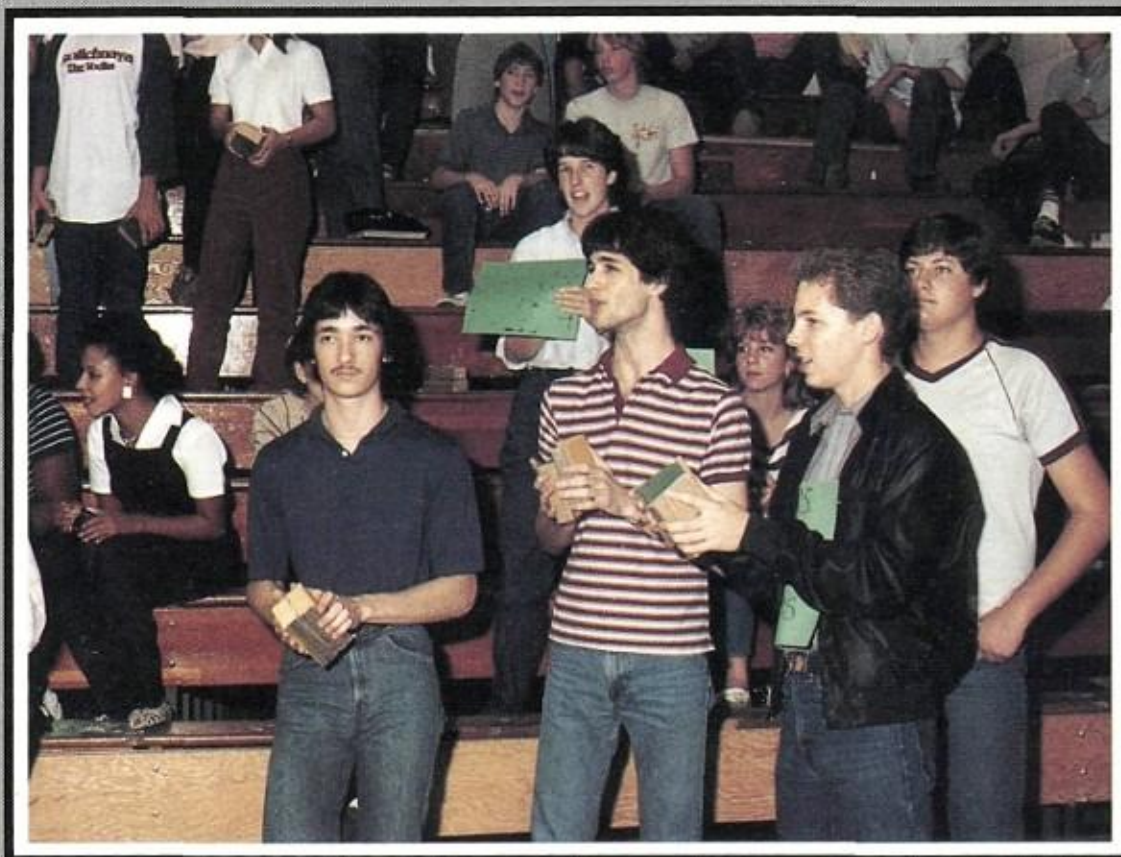

Acadiana High School is a large mixture of various personalities. There are those who are intellectuals, outgoing and shy students, athletes, cutups,

artists and musicians. When each personality works together, AHS benefits and becomes unique among the other high schools in the parish.

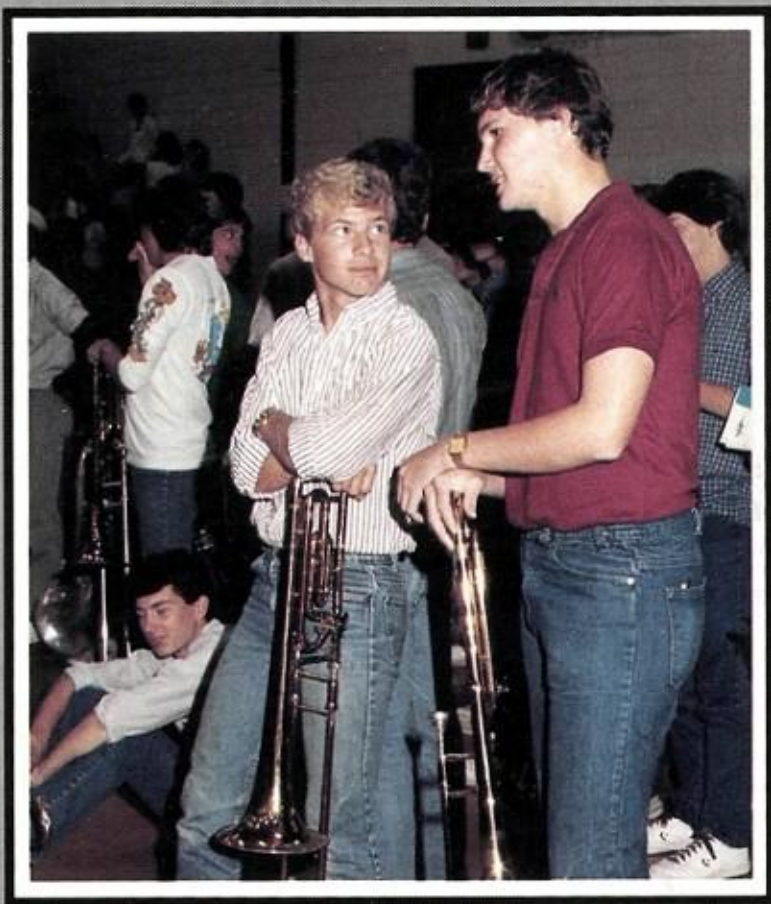

... Spirit

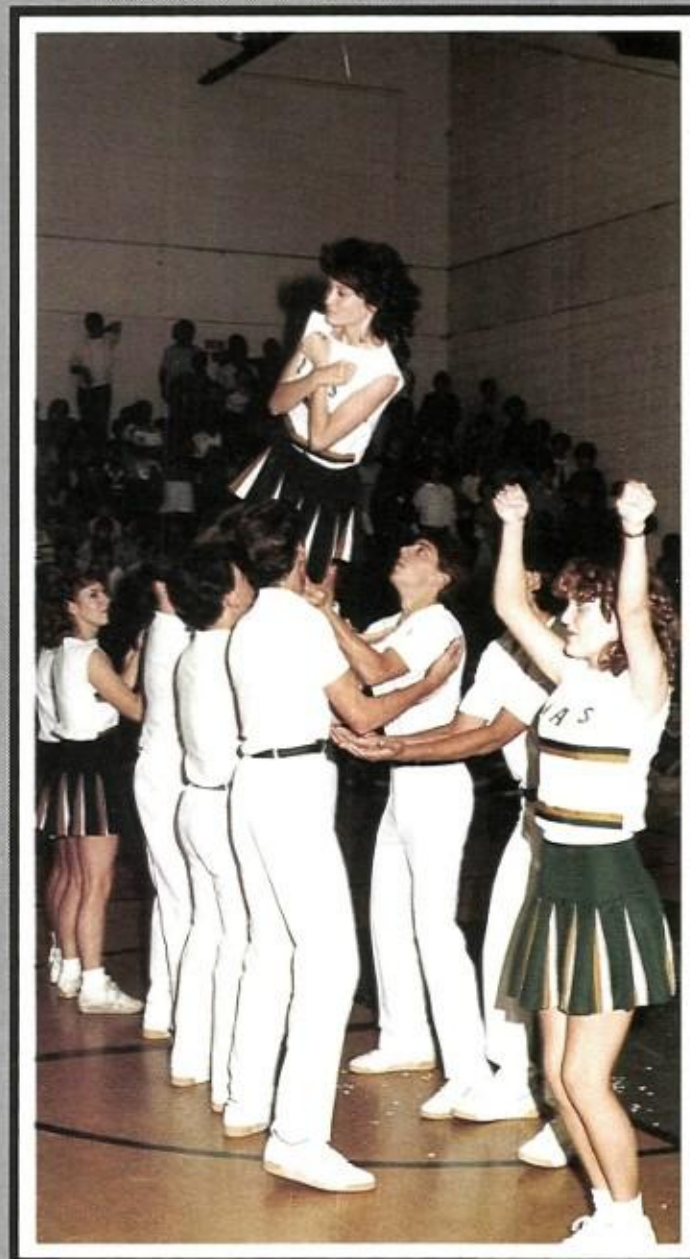

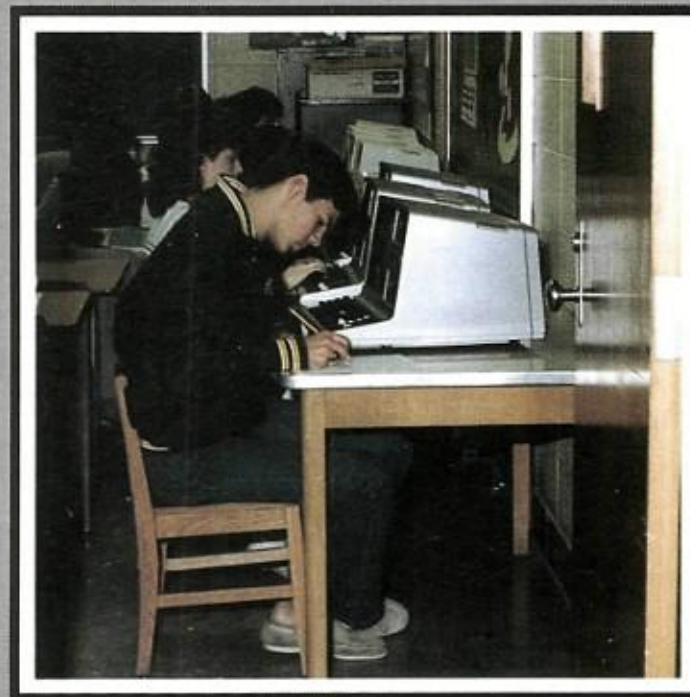

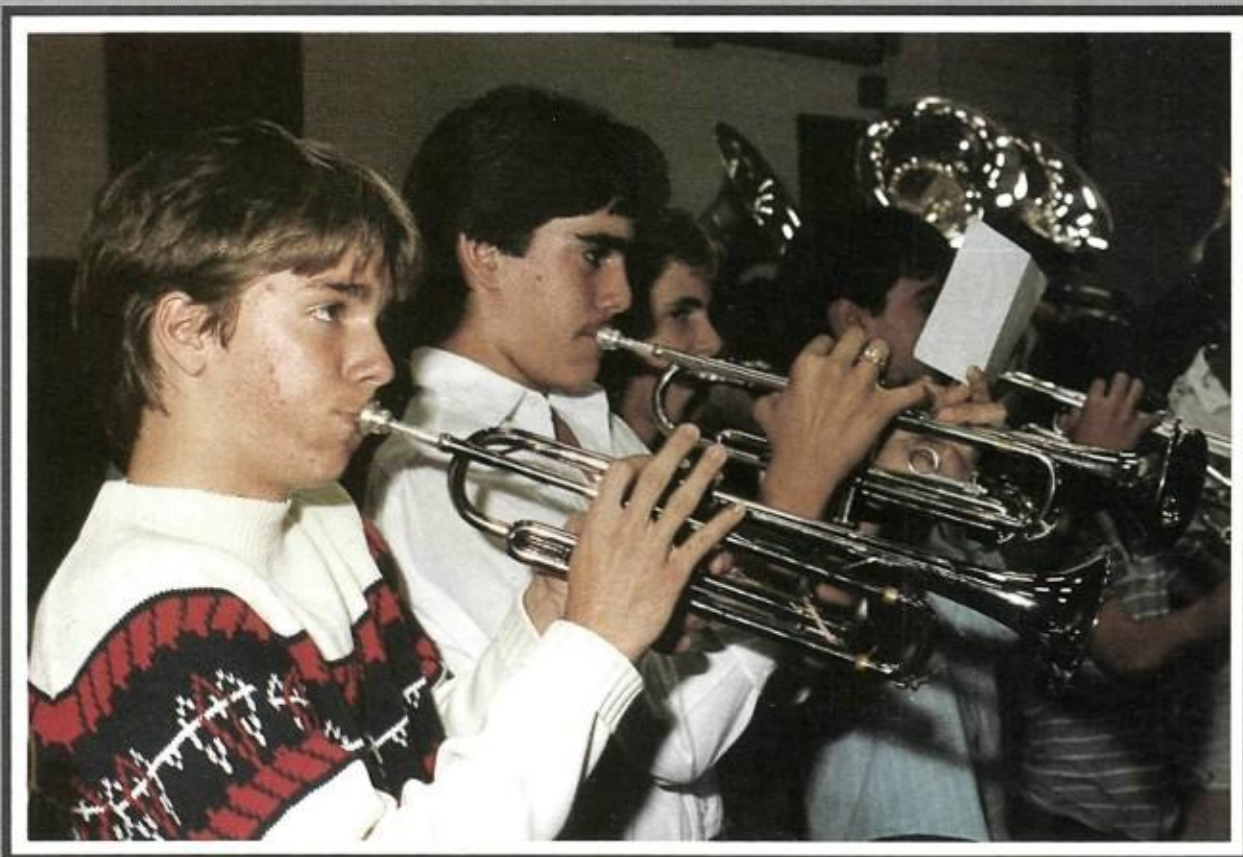

Spirit, Spirit . . . It's a great word that has much meaning, especially to Acadiana High School. The spirit at A.H.S. is so overwhelming, that everyone enjoys being a part of it. Whether it be dressing up on a pep rally day or supporting the team, A.H.S. is always well represented.

School spirit is a primary factor in the making of a school. If more people get involved in the activities of

a school, working and studying becomes fun and memorable. School spirit should also extend to academics. Many students are honored for remarkable progress in class. These students show loyalty to the school by representing A.H.S. at rally. Altogether, the spirit of A.H.S. is combined to make A.H.S. number one in the hearts of every student, teacher, and administrator.

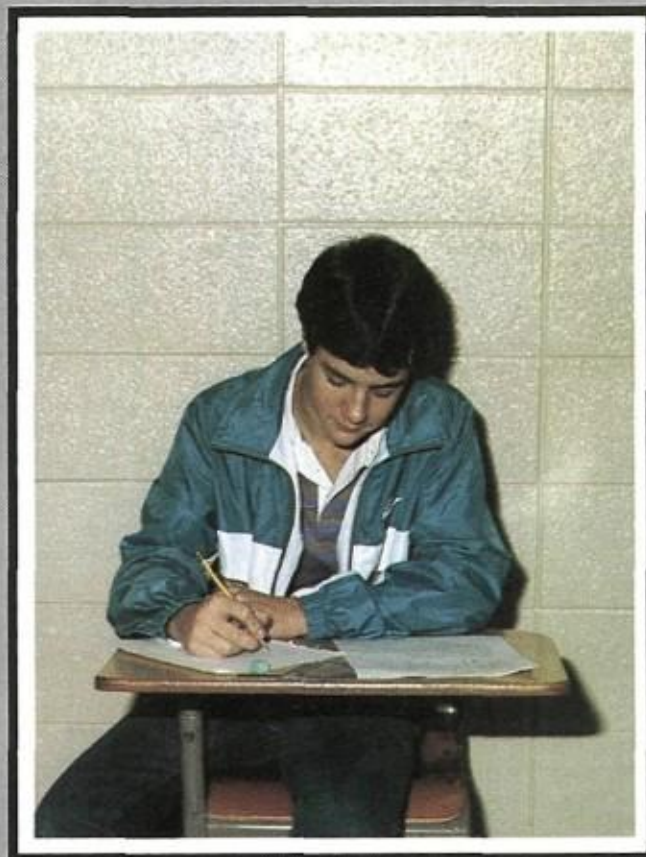

... Excellence

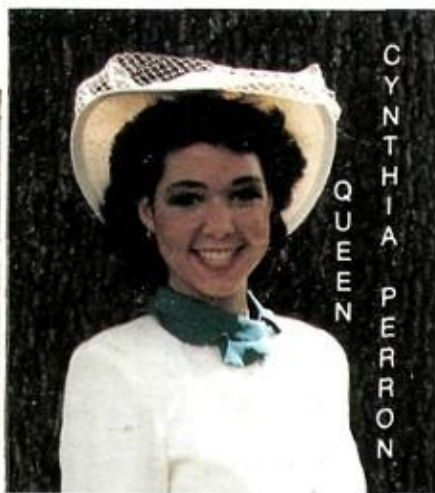

With the onset of each new school year, Acadiana High Students return full of hope and determination, eager to attain their new goals. Although each student sets a personal goal, all students strive to achieve AHS's motto for the year: "Ex-

cellence: The AHS Commitment." This excellence extends from class to class, to the clubs, and to all AHS sports. Through victories, defeats, good times and bad, each person pulls together as one, striving for that ultimate goal of excellence.

MICKEY MOUSE VISITS AHS

On Saturday October 20, the boys' gym was transformed into the "Magic Kingdom." The Senior class did an excellent job in setting the scene for the presentation of Queen Cynthia Perron and her court who were accompanied by senior members of the football team.

Scenes depicting Mickey, and the rest of his animated friends added to the spirit of the occasion. The music was courtesy of disc jockey, Rob Rue.

LeCafe, Center Court in Acadiana Mall, is a true Acadiana High employer. Six Acadiana High students work at the Cafe, including four senior girls, **ANNA LENT-JES**, **STACEY HOLMES**, **MONICA JEF-COAT**, AND **ALLYSON MELANCON**. Their duties include making coffee and tea, waiting on customers and cleaning the shop after closing. They all agree that they like their jobs best because it is easy work and they can see all their friends in the Mall, and meet new people. One of the funniest things they remember is making a crank call to the boys employed at Morrow's Nut House just across from LeCafe. The boys decided to crank call back but the girls' boss answered the phone. They also remember having water gun fights among themselves and with the customers. None of the four feel work has affected their school work. Instead it has allowed them to meet many new people.

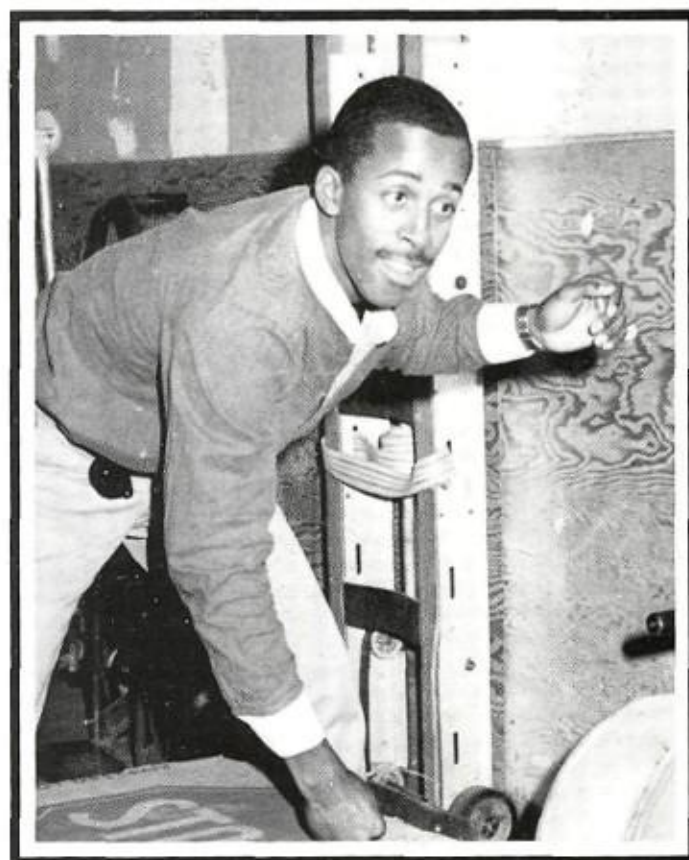

IN PURSUIT OF CASH

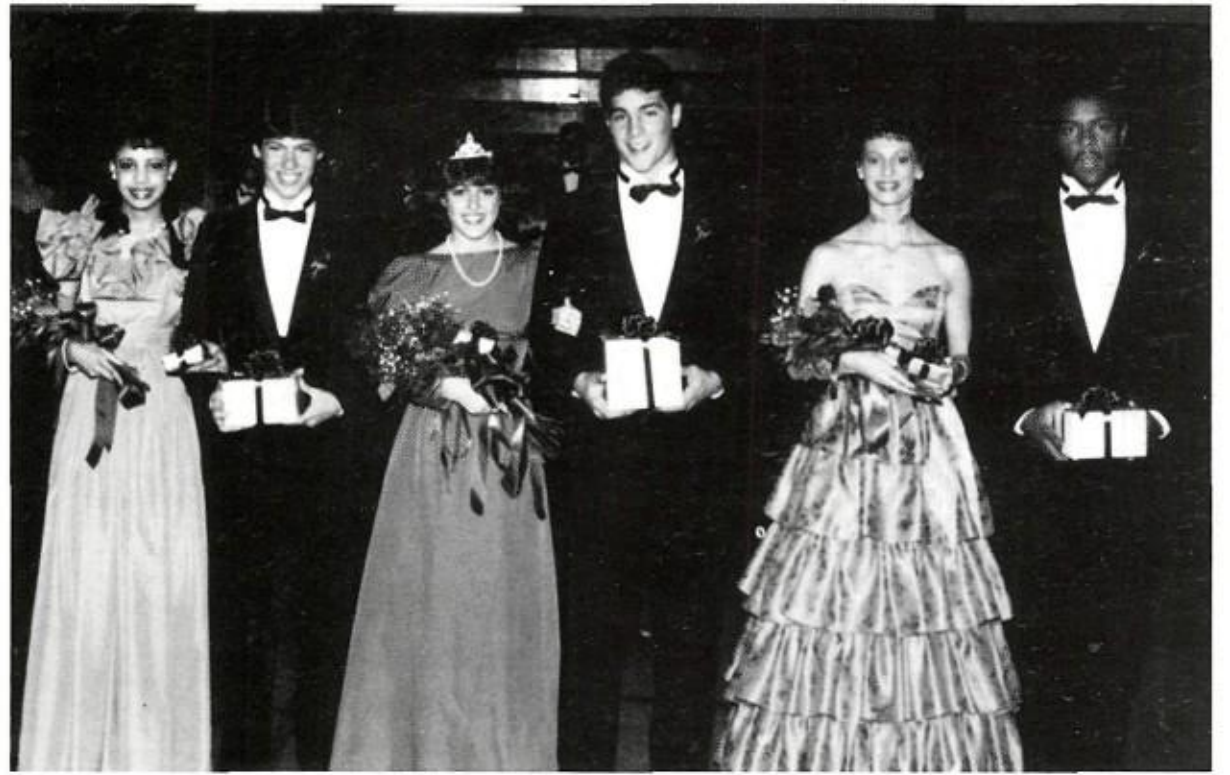

Money, the experience, and the people are what **DONALD DAUTERIVE** likes most about his job. Donald has worked at Chick-Fil-A for the past 3 years. He is now a Crew Supervisor which makes him take on many responsibilities and work long hours. Donald doesn't feel his work has affected the quality of his school work or his social life because he only works one night a weekend. The funniest thing Donald recalls ever happening at Chick-Fil-A is when his boss threw a pie in someone's face at a going-away dinner for an employee.

Have you ever been forced to wear a box over your head to be photographed for hundreds of people to see? Well, **JASON DEVILLIER** has. He recalls this incident as the most embarrassing thing he has had to do at work at the Lafayette Planetarium. Jason has worked there for about a year as part of the Star Show production staff. His job includes preparing slides for use, aligning and checking the slide projectors, taking slide photographs, and hooking up electrical circuits. The only thing Jason doesn't like about his job is doing the slow, tedious work, but he does get to meet and speak to many people who share his interests.

For the past four months, Forrest "The Dude" Chaisson has been an employee of D. H. Holmes in the Acadiana Mall. Forrest is a stockman whose duties include bringing merchandise from stock to customers, moving fixtures, and keeping the store organized. Forrest says his job affects his school work when he comes home tired and doesn't want to do his homework. When asked how his job affected his social life, Forrest said, "I miss most of the concerts, basketball and football games, but I've met a lot of beautiful women at my job." Worth it — you bet!

FRESHMEN

Sadie Goes Sailing

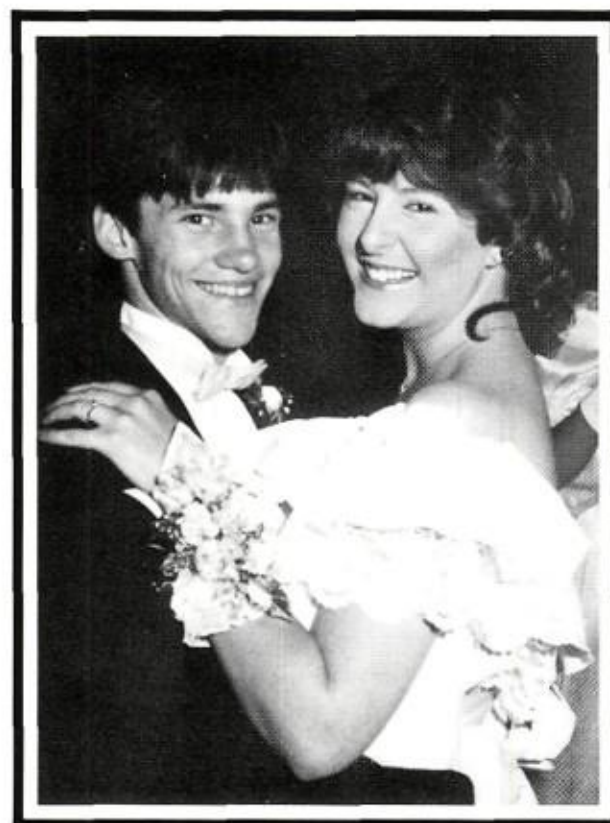

All aboard! As students from Acadiana pulled out their topsiders, sailor's hats, and compasses, they were set for a night of smooth sailing. This, of course, was the theme of Sadie Hawkins sponsored by the freshman class on March 9. The *Les Memoires* yearbook staff was aboard the S.S.A.H.S. to give the results of the class favorite elections. Meanwhile, as the captain of the ship married couples, others danced the night away to the music of TechniSound. *Bon Voyage!*

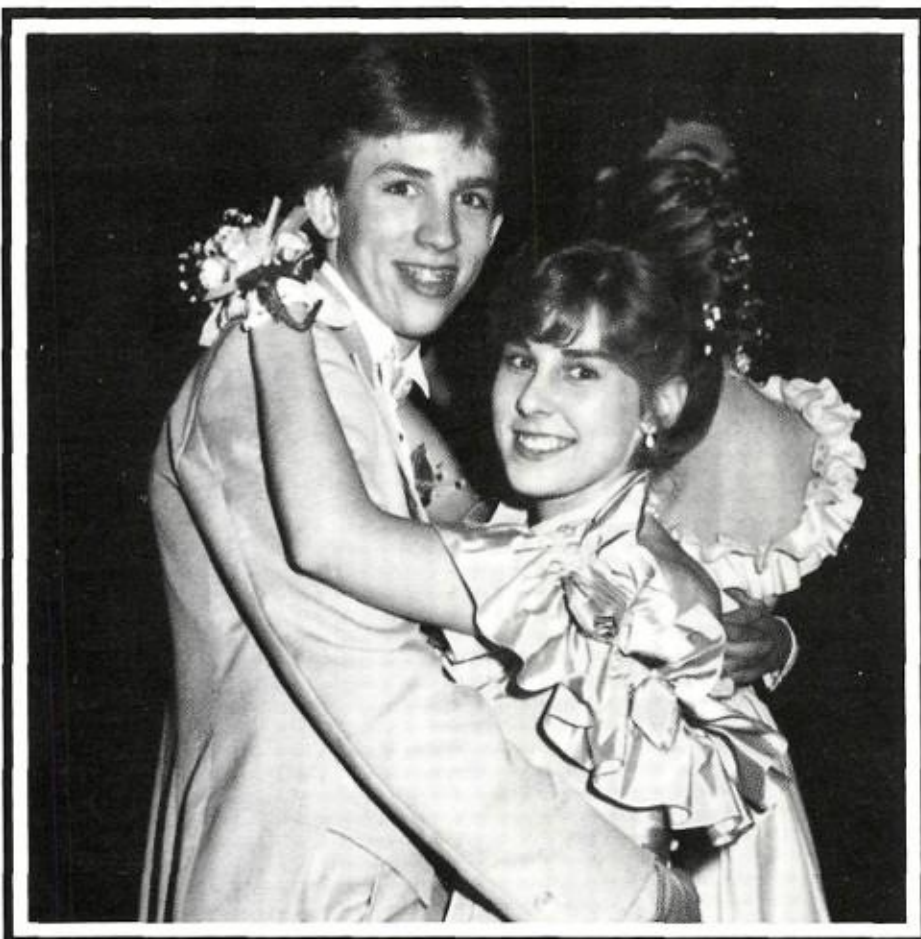

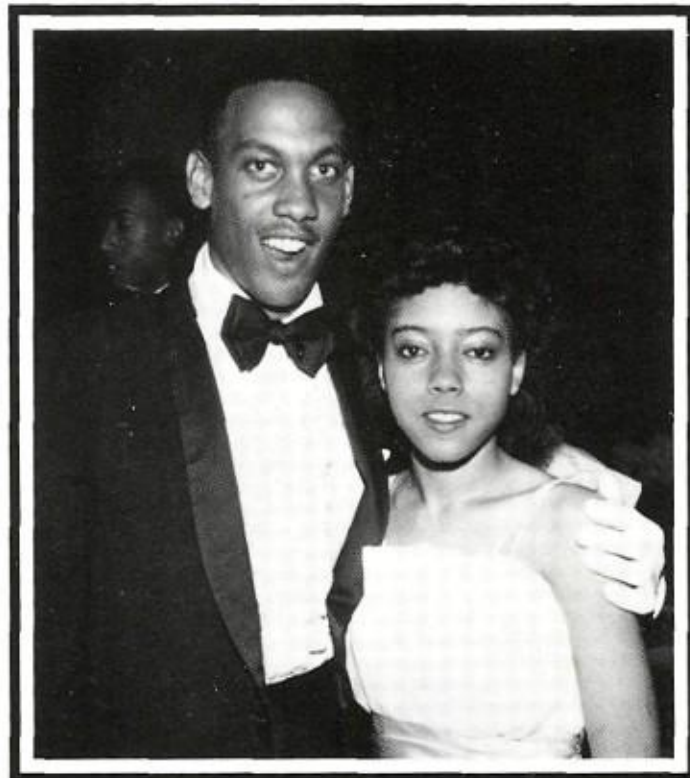

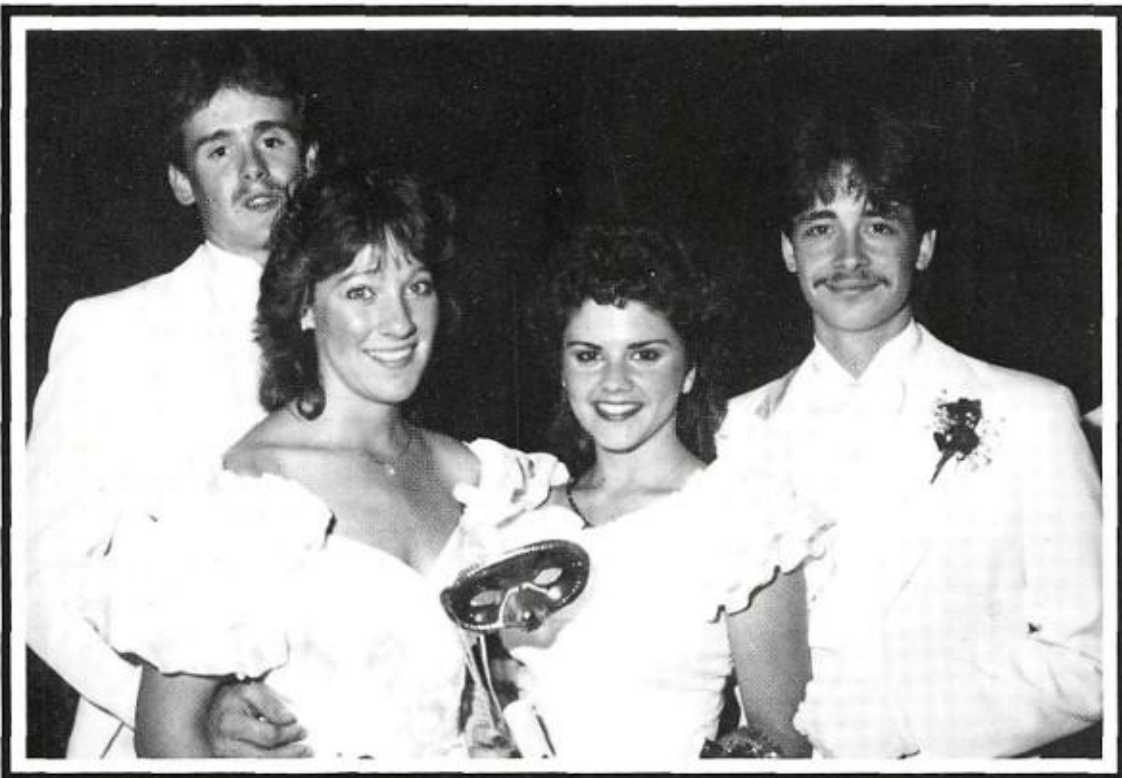

It wasn't February, but the spirit and excitement of the Mardi Gras season had returned to Lafayette once again. The Municipal Auditorium was transformed by the "Krewe of Acadiana" into a festive gala as the Prom Night of 1985 began. Couples dressed in white arrived at 8:00, some in the obvious luxury of a limousine. Prominent among the decorations was a Mardi Gras float along with comedy and tragedy masks that adorned the walls. Tables were decorated with colorful beads, masks and doubloons. Presented as Prom King and Queen were Kim Broussard and Lynette Landry. Although the dance ended at 11:00, the night had just begun for many who dined at the exclusive restaurants in town, attended private parties or feasted at pre-dawn breakfasts. It was truly a "night to remember."

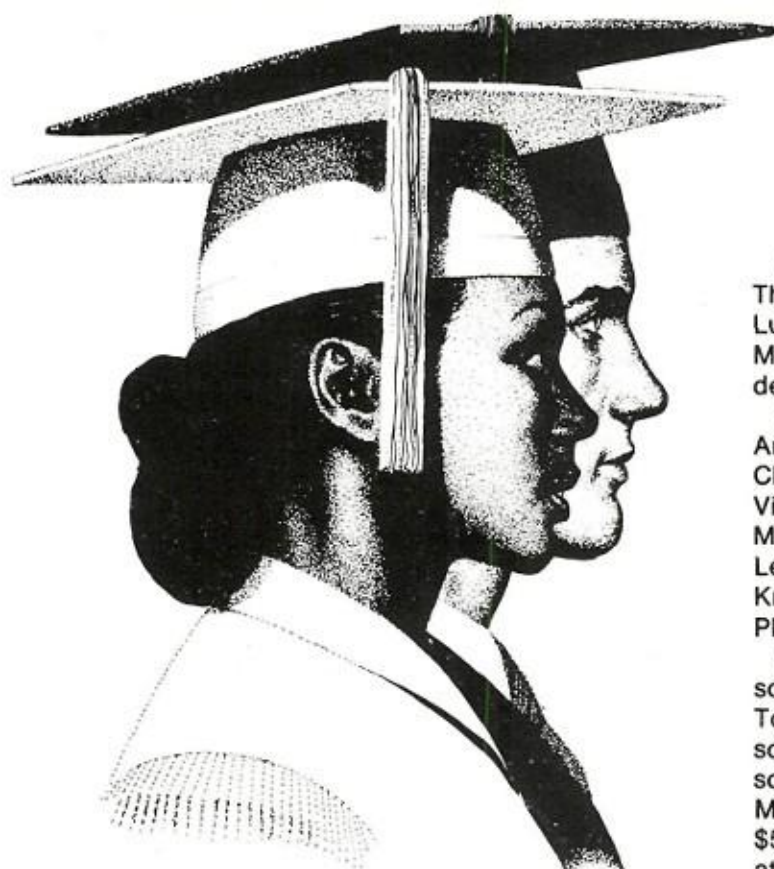

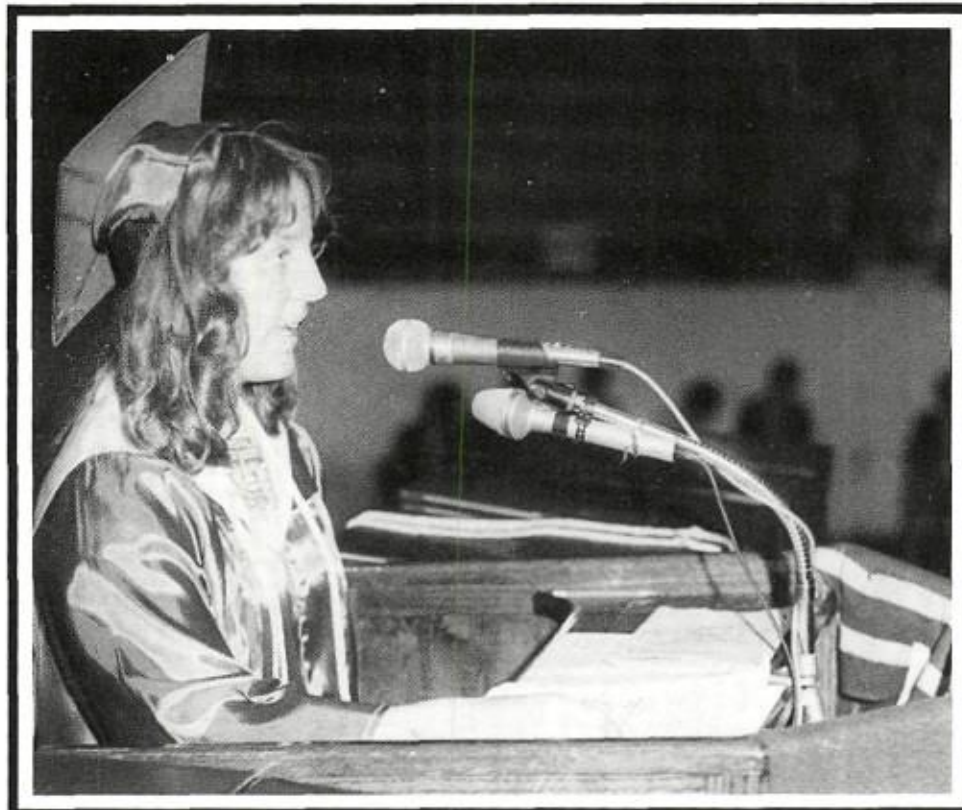

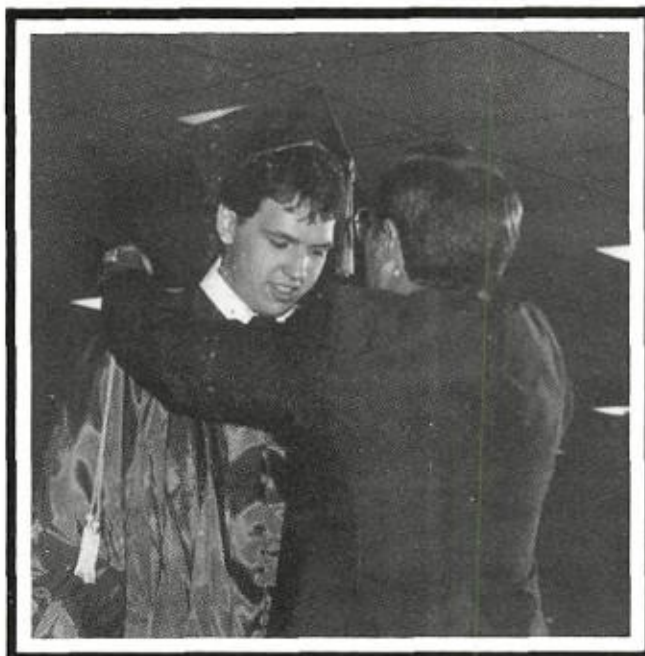

PROM '85

Kim Broussard and Lynette Landry reigned as king and queen over the "Krewe of Acadiana."

BACCALAUREATE

G. Waguespack: An Award-Winning Band Director

Gerald Waguespack has been Director of the Band Program at Acadiana High School for the past six years. Prior to his arrival at Acadiana, he conducted the Rayne High School Band to many honors and awards for six years. Waguespack's first teaching position was at Vinton High School in Vinton, Louisiana. His responsibilities at Acadiana include directing the award winning Marching Band, conducting the Cadet, Concert and Symphonic Bands as well as the administration of a Band Program of 185 students. Since his arrival at Acadiana in 1979, all aspects of the Band Program have enjoyed the continued success established by the school's previous Band Directors. Under his leadership, Acadiana's Symphonic Band has been the only class quad-A band in the state to attain the Sweepstakes Award at the State Band Festival for the past two years. His professional affiliations include: Southwest Louisiana Band Directors Association, Music Educators National Conference, Louisiana Music Educators Association, 1st Chair of America, Phi Beta Mu and he is presently a candidate for membership into the prestigious American School Band Directors Association. In great demand as a Clinician/Adjudicator, Waguespack has judged Marching and Symphonic events throughout Louisiana as well as in the states of Texas, Arkansas, Mississippi, Florida, Arizona and Illinois. He was inducted into Phi Beta Mu National Honorary Band Directors fraternity in 1977 and received that organization's Outstanding Band Director of Louisiana Award in 1980-81. He also received the National Jaycees Outstanding Young Men of America Award for 1984.

Co-Sponsors of FBLA Achieve Results

MRS. EMMA PRICE and MRS. EMMA DOMINGUE are the co-sponsors of the Future Business Leaders of America. Their jobs are to advise the officers of the club, organize conventions, decide which students participate in events, and encourage students to study for these events.

Mrs. Price has been head sponsor for three years and before that time, the assistant sponsor for four years. She has a Bachelor of Science degree in Business Education from Southern University. She also attended USL where she did most of her studies. She taught at St. Paul Elementary before teaching at Acadiana. Currently the Vice-President of the National Collegiate Association for Secretaries at USL, she also holds the office of National Deputy Publicity Director of NCAS.

Mrs. Domingue has been co-sponsor of FBLA for approximately ten years and head sponsor for one. She obtained her Bachelor of Science in Business Education and Social Studies at USL. She then taught at Judice High School before coming to Acadiana. Mrs. Domingue is a member of the Lafayette Parish Association of Classroom Teachers and the Lafayette Parish Vocational Education Association.

Under the direction of Mrs. Price and Mrs. Domingue, the AHS FBLA enrollment increased 100% last year. The club achieved excellent results in the last years at District and State conventions, especially last year with 10 first places out of 14 events.

GSC Co-Sponsors Supervise Sale of Carnations

MRS. BARBARA BROWN and MS. YVETTE SERVAT are the co-sponsors of the Girls' Service Club. The purpose of the club is to provide needed services to the school and community. At school, the girls try to provide assistance to all groups at Acadiana — students, faculty, staff and administration.

GSC's biggest project, and the one the girls enjoy most, is the sale of carnations and roses for Valentine's Day. Along with many other projects, they provide money for two grants for students attending Close-Up Foundation, girls' athletics awards, and two students for Pelican State.

Both Mrs. Brown and Ms. Servat have been with GSC for over 3 years. They divide the responsibilities of supervising various club activities and the duties of officers. They assist in the planning of activities and meetings, and then check afterwards to be sure that club members have fulfilled their commitments.

Mrs. Brown has a Bachelor of Arts in English Education from USL. She is presently working toward a Master's degree from USL in secondary teaching. Ms. Servat graduated from LSU with a B.S. and M.E.D. degrees.

Mrs. Lineberger Heads Spanish Clubs

Los Paisanos, meaning "fellow countrymen," has been headed for the past eleven years by *MRS. REBECCA LINEBERGER*. Mrs. Lineberger first pursued her education at Newberry College and later went on to study at Duke University in North Carolina. After graduating she spent four years teaching in various schools around the United States and Central America.

Since Mrs. Lineberger's arrival at Acadiana, the Spanish department has grown from three classes to thirteen classes, eventually making the Spanish Club one of the finest and largest clubs at Acadiana High School. Another point of interest is Mrs. Lineberger's involvement in the Spanish Honor Society. This club is a national organization which is open to any student who has excelled in Spanish for three semesters or more. The Spanish Honor Society is proud to announce their adoption of a five year old child from Uruguay, whom they support each month.

SONG

"The Best of Times"
Dennis DeYoung (Styx)

Tonight's the night we'll make history
Honey you and I
And I'll take any risk
To tie back the hands of time
And stay with you here tonight.

We'll make this a world for two
Our memories of yesterday
Will last a lifetime
We'll take the best, forget the rest
And someday we'll find
These are the best of times

The headlines read
These are the worst of times
I do believe it's true
I feel so helpless like a boat against the tide
I wish the summer winds could bring back Paradise
But I know
If the world turned upside down
Baby I know
You'd always be around

I know you feel these are the worst of times
I do believe it's true
When people lock their doors and hide inside
Rumor has it, it's the end of Paradise
But I know if the world just passed us by
Baby I know, I wouldn't have to cry
The best of times are when I'm alone with you
Some rain, Some shine

Sophomores Achieve Excellence

With a 4.0 average, **PAM SARGENT** is certainly an asset to her sophomore class in many ways. An active member of the band, she says the marching band program is one of the things she likes best about AHS. The French Club and Beta Club are also organizations which have caught her interest. She sees a future in mathematics for herself while her hobbies include reading, bicycle riding, and swimming. A real Michael Jackson fan, Pam says her favorite food is pizza.

BEN WAGGENER is definitely a sophomore who is capable of achieving excellence. An aspiring marine biologist who plans to attend Duke University or Texas A&M, he has many talents and interests. His love of classical and big band music is displayed through his hobbies, playing the piano and French horn. Some of his other interests include reading and writing poetry and fiction. A member of the Quiz Bowl, Chess Club, and Spanish Club, Ben's grade point average is 3.7, and possibly rising.

RAMS

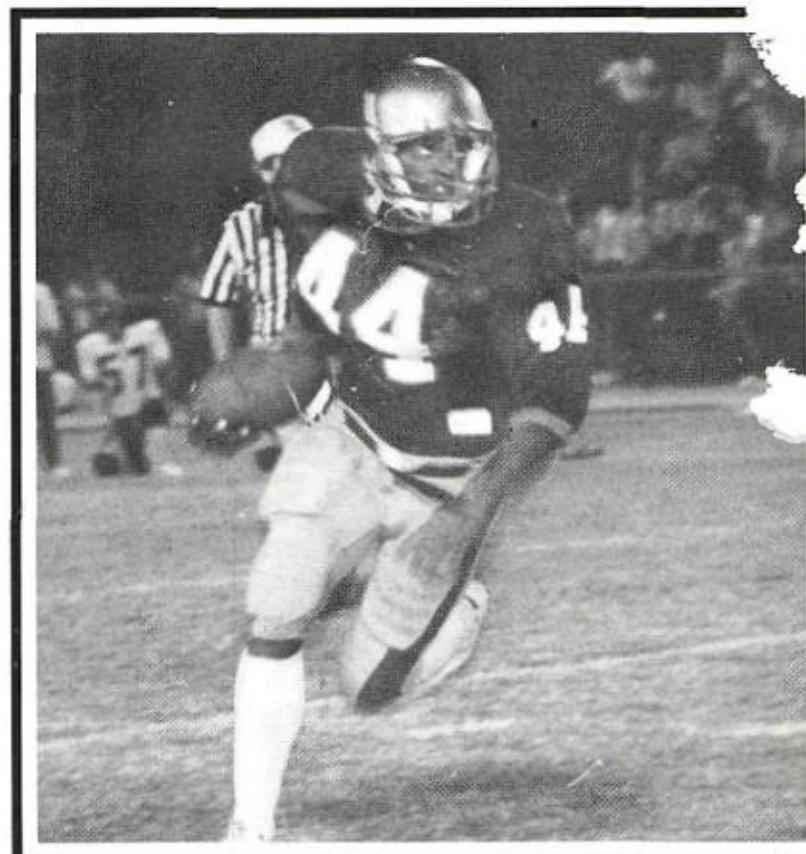

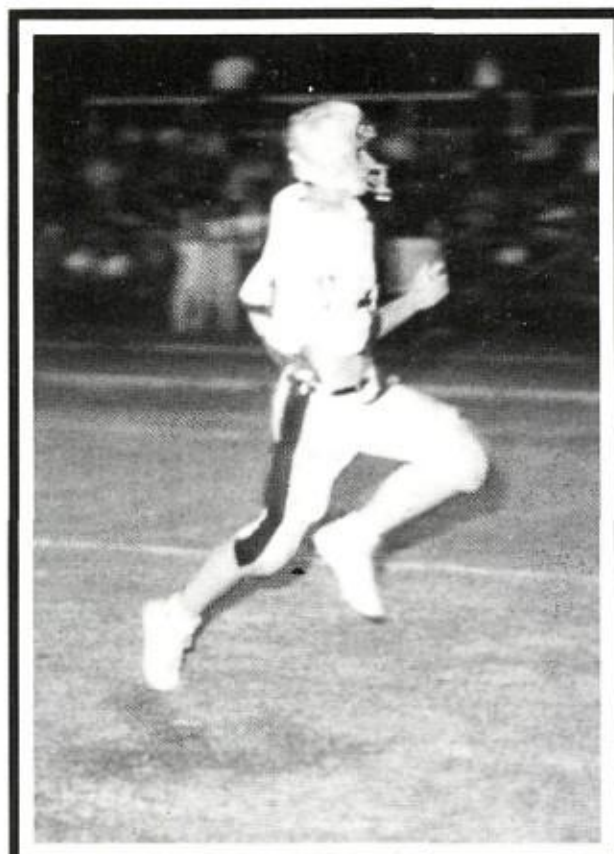

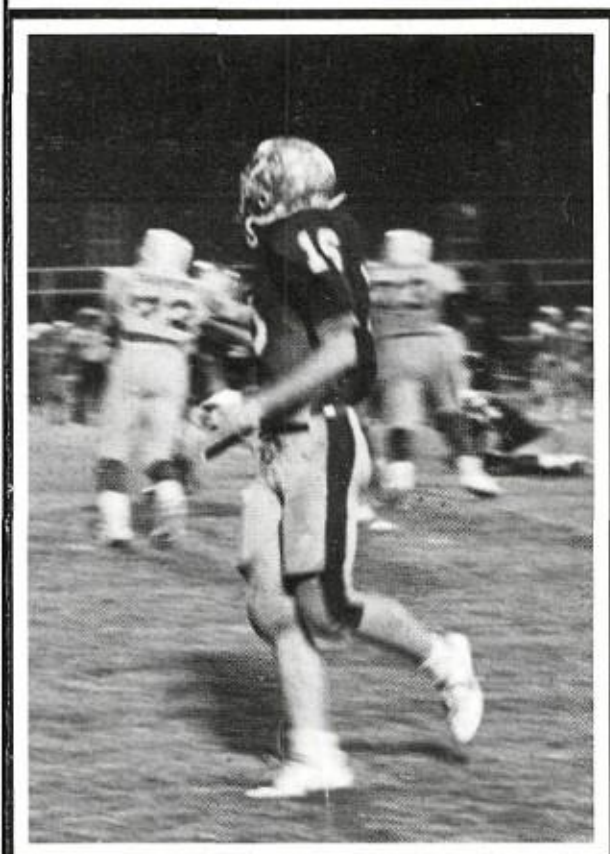

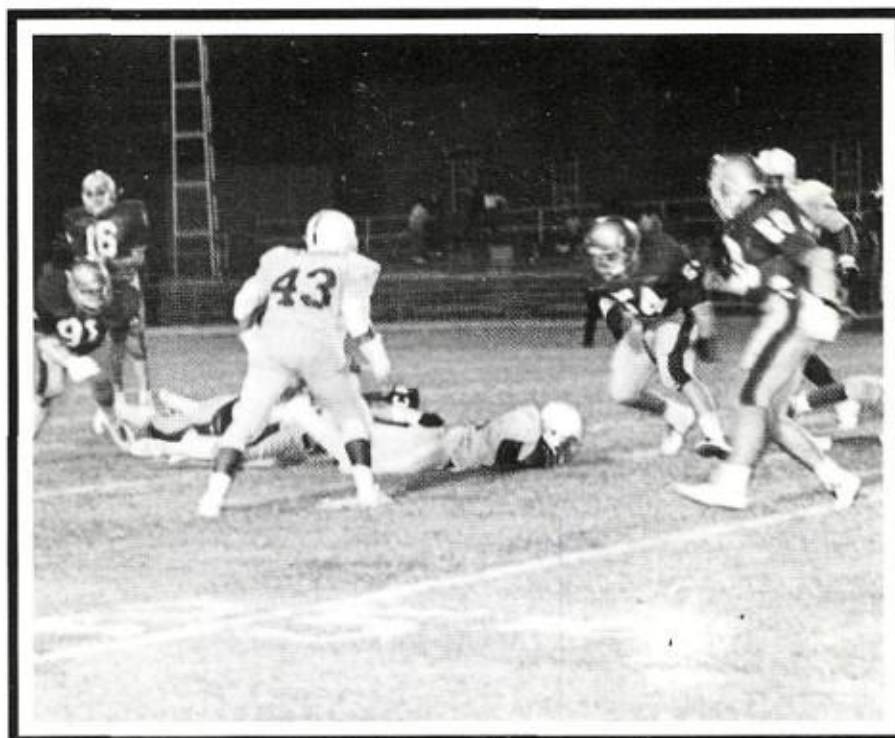

Acadiana vs. L. B. Landry

The Wreckin' Rams started off the new season in high spirits, and with good reason. Their 40-24 victory over the Buccaneers of New Orleans was a great success for everyone, and especially for Troy Jones. Troy ran for 205 yards in 13 attempts and was written down in the records as being the only Ram to have scored five touchdowns in one game.

Acadiana's offensive line did a great job at clearing out L. B. Landry's defense. Special recognition went to Ted Doucet, Mike Sifton, Dean Theriot, and Mark Ventress for their superior blocking tactics. Great job, Rams!

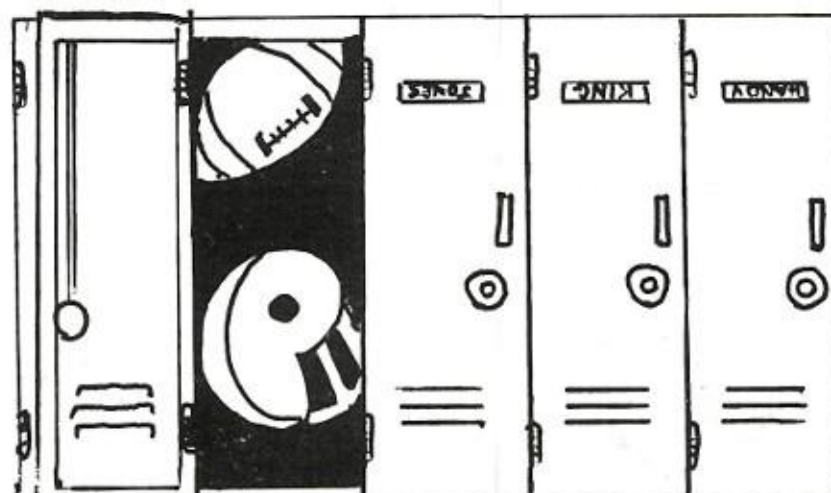

DOMINATE DISTRICT

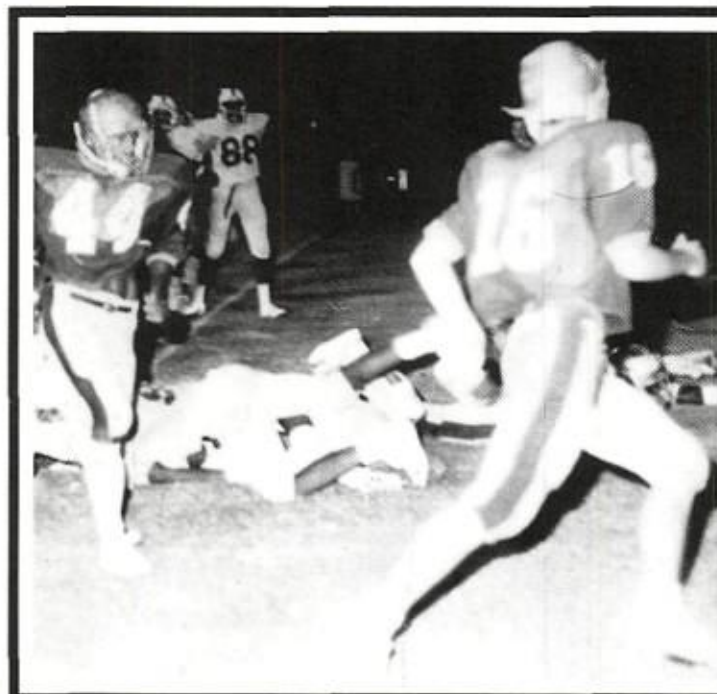

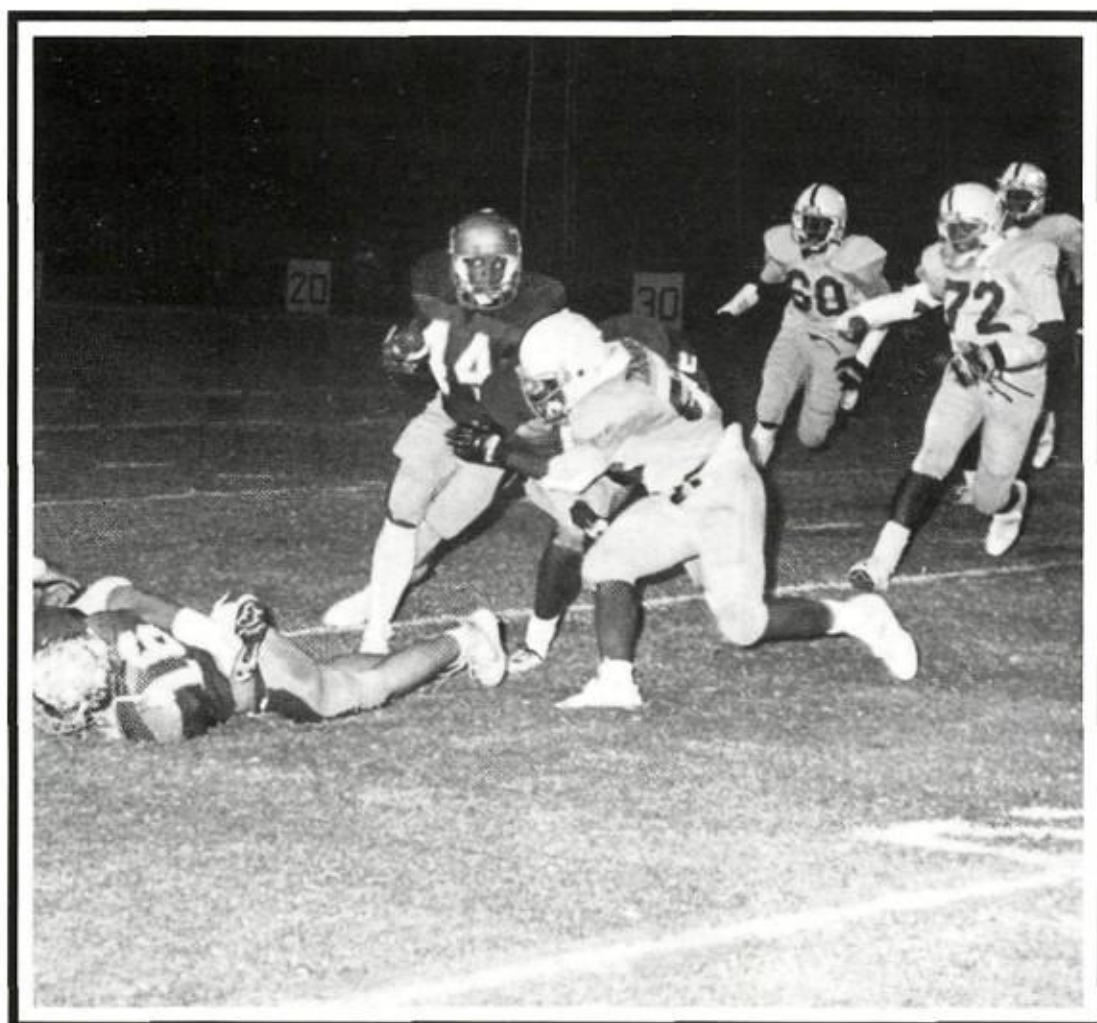

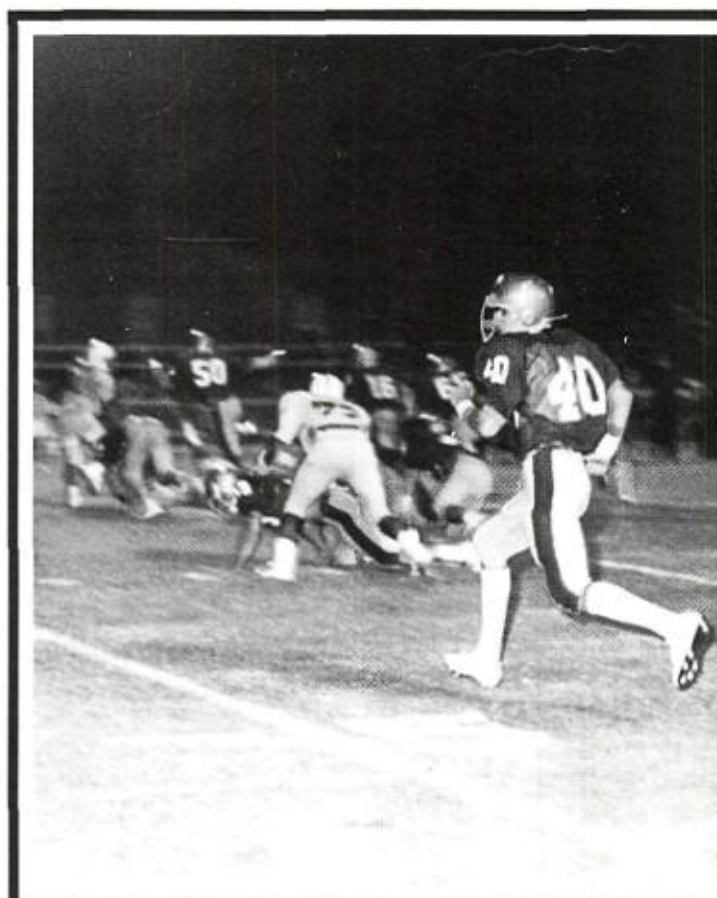

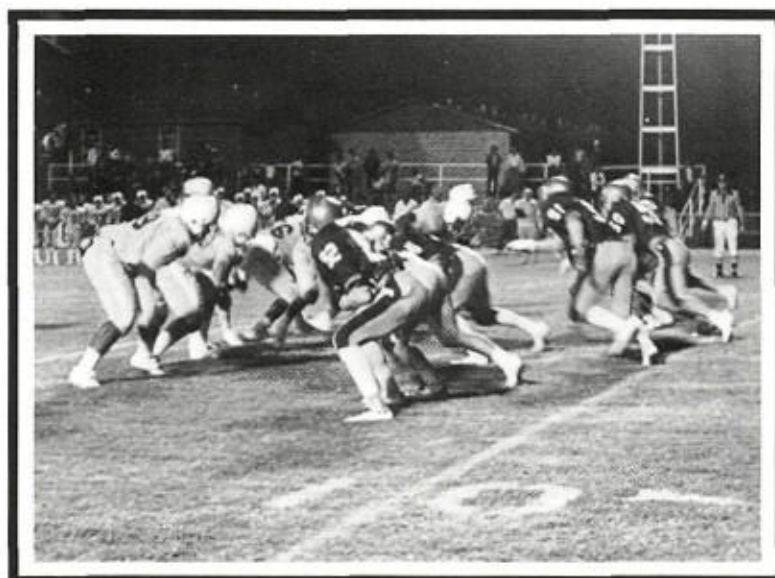

Acadiana vs. Eunice Bobcats

The Acadiana High football team pulled out another victory over the 1982 State Champs, the Bobcats. The 13-6 victory wasn't easy though. They had to overcome Eunice's Craig Victoria who ran the 100-yard dash in 9.6 seconds and who was also considered the "Troy Jones of Eunice High."

Troy Jones scored both touchdowns in this game but couldn't have done it without the help of Lee Gothe, Tim Handy, Bubba Savell, and Todd Travis. Outstanding tackles contributed greatly to the AHS victory. Some of the leaders of the "tackle pack" were Lee Arceneaux, who made a total of six tackles, Bubba Savell, who made three solo tackles and got in on six others, Doug Granger, who made a total of ten tackles, and Troy Thibodeaux, who led the pack with twelve tackles, six of them by himself. Great job, Rams!

AHS: UNTOUCHABLE

Acadiana Pounds Sulphur

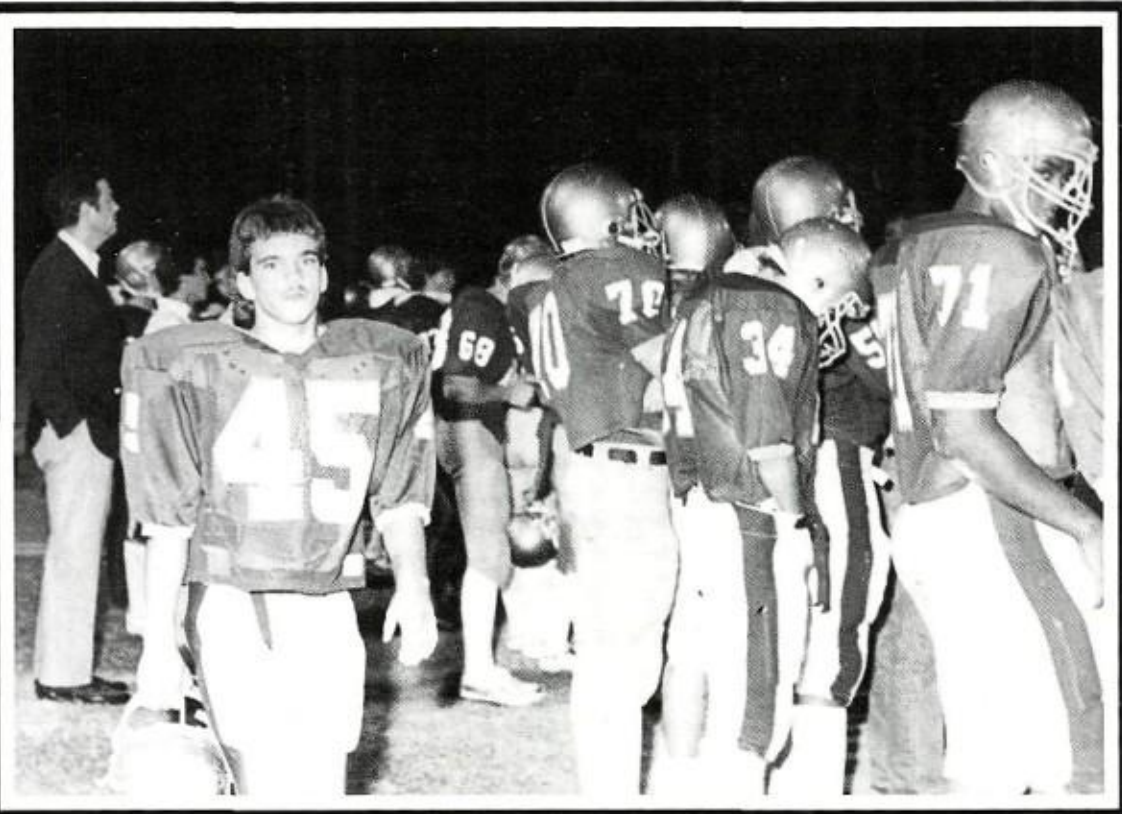

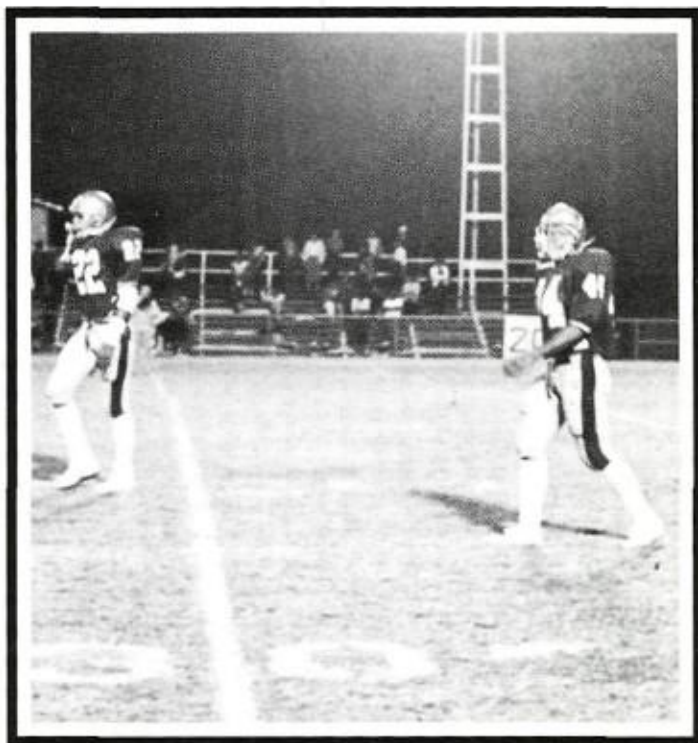

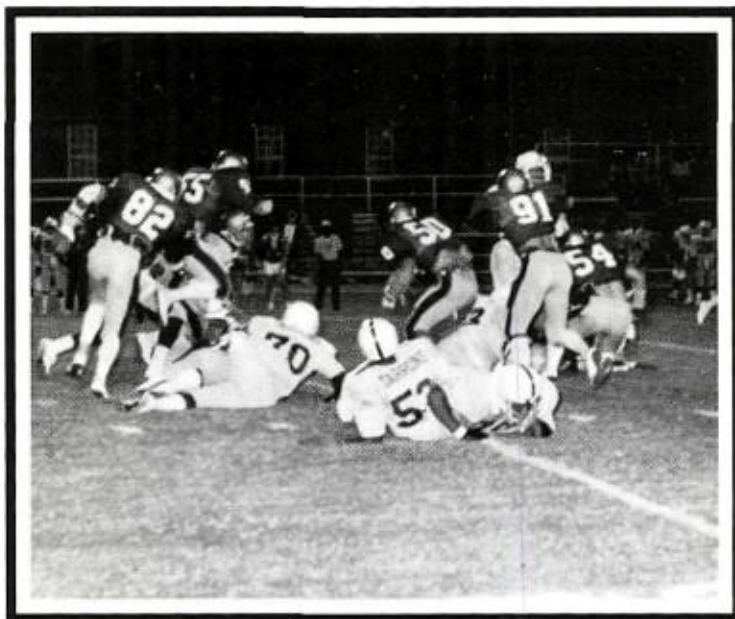

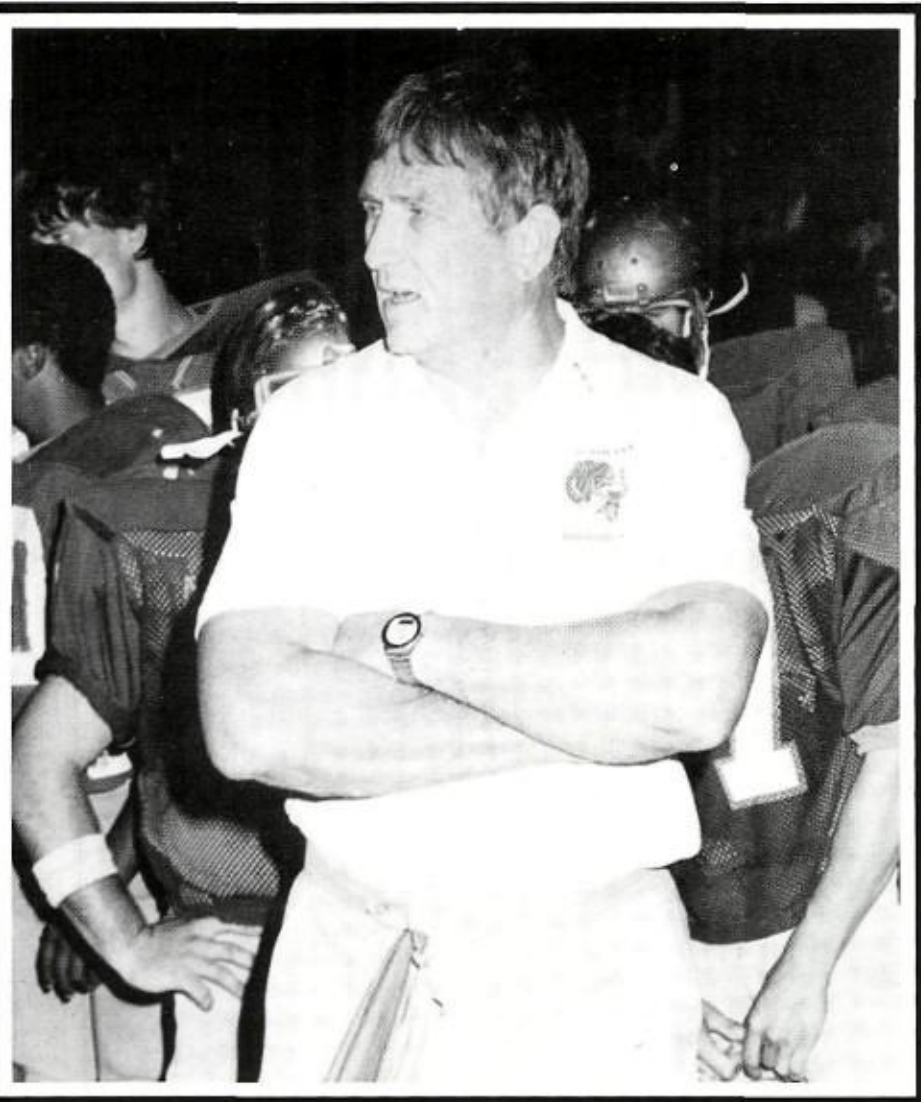

The Rams kept on pounding out the victories. After beating the "Golden Tornadoes" 34-32, the Rams moved to a 3-0 season record, an omen foreshadowing the rest of the season. The victory over the now "Tarnished" team was a great achievement on the part of the AHS players. As Coach Dotson remarked, "It was a team victory."

Acadiana's touchdowns were made by Tim Handy, Bubba Savell (who each made two touchdowns), and Dean Theriot with one touchdown. In spite of the team being plagued by injuries, the Rams had another terrific game. Prominent defensive player was Troy Thibodeaux, who had nine solo tackles (thirteen all together) and one interception.

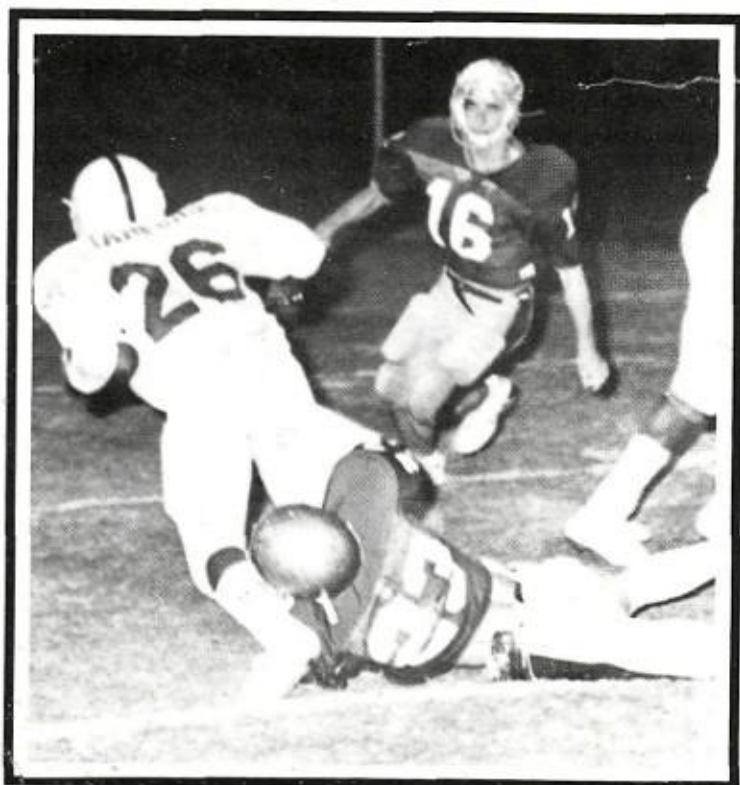

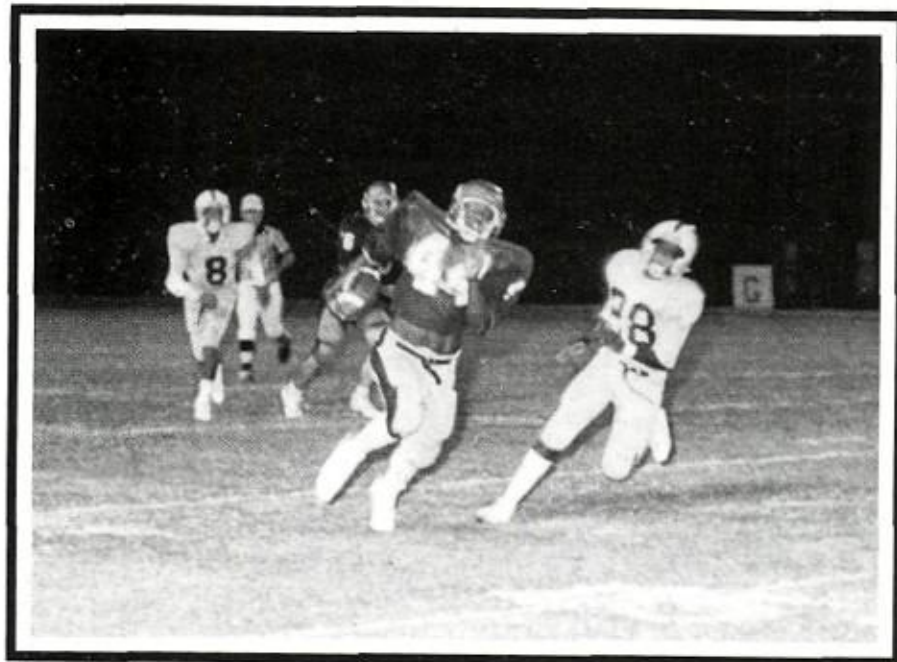

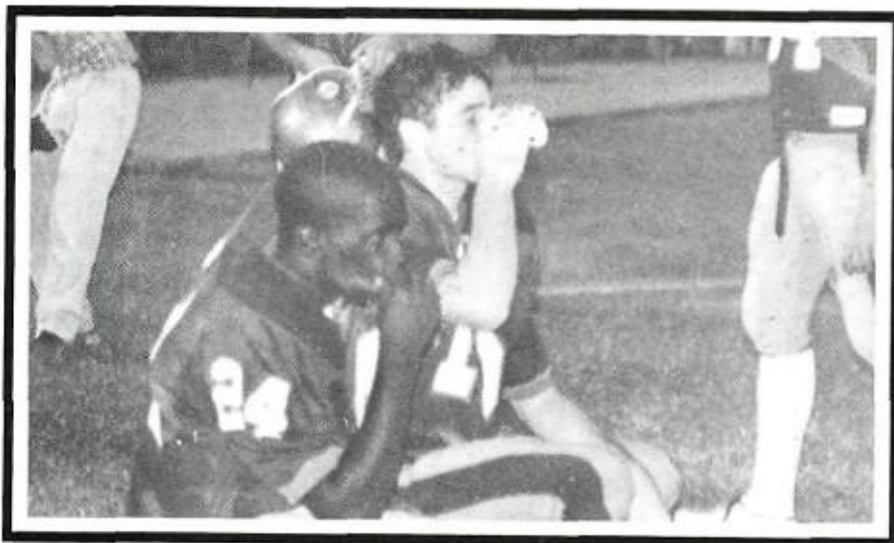

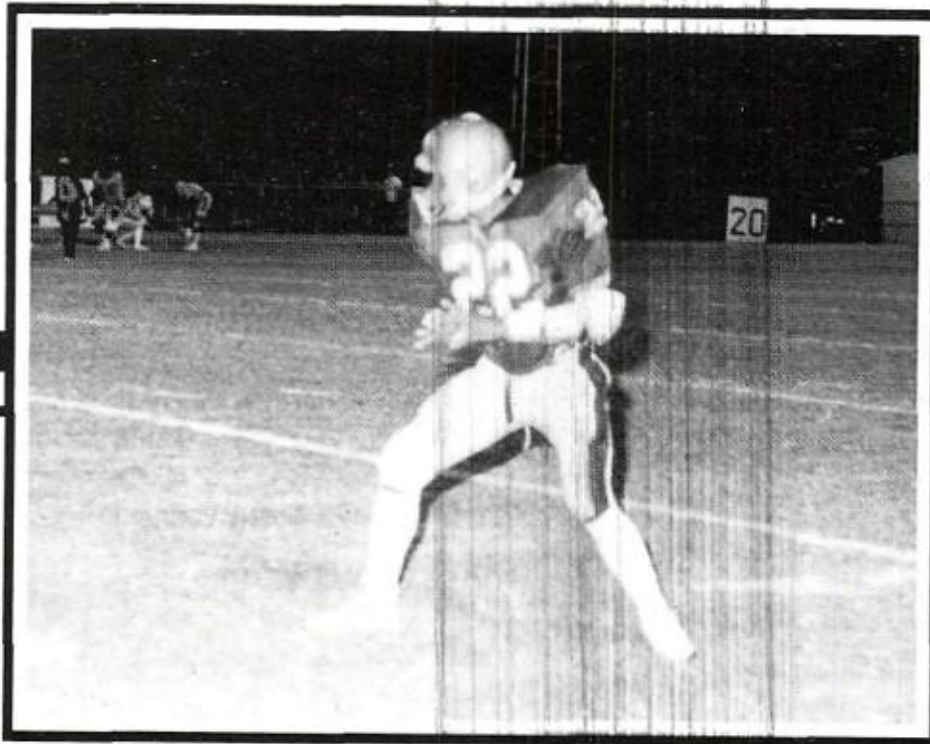

Rams Tame Tigers

The well-coordinated offensive and defensive Ram team worked smoothly together to overcome the Tigers by a score of 13 to 7. The Rams once again came through with a major victory over the "Timid" Tigers.

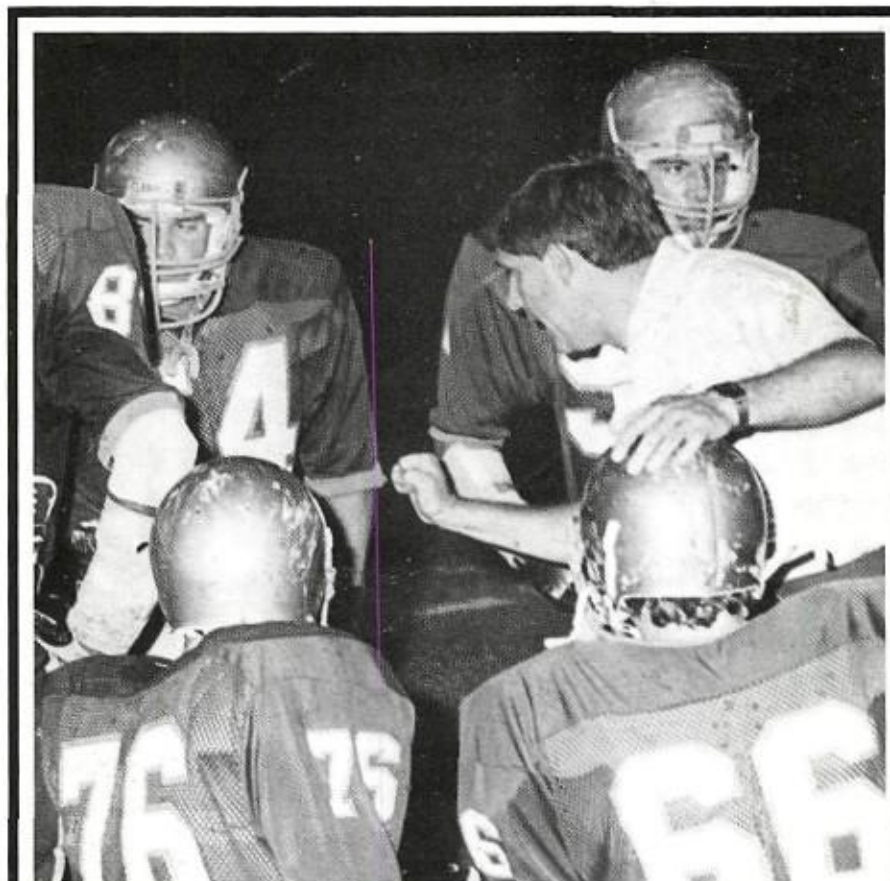

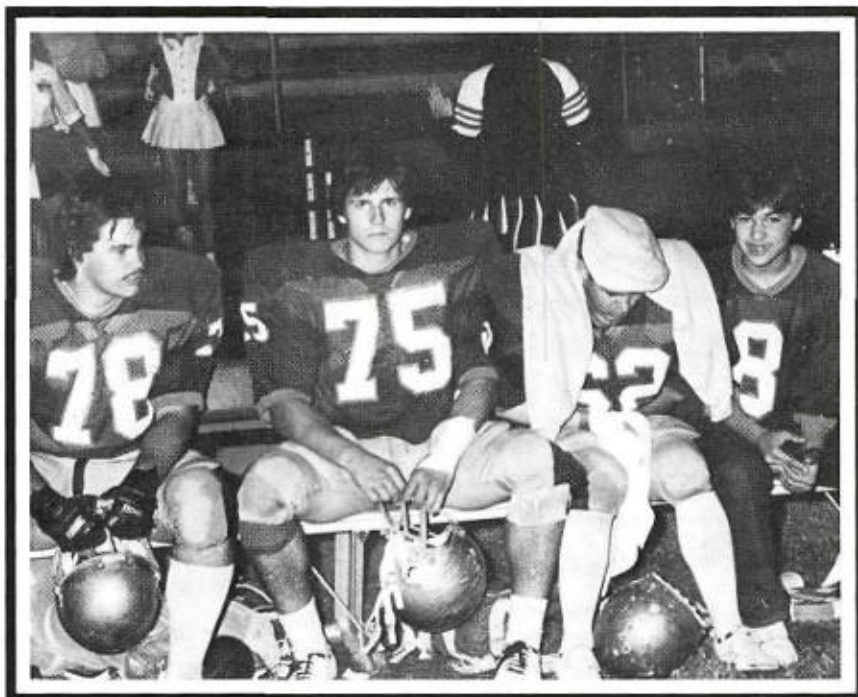

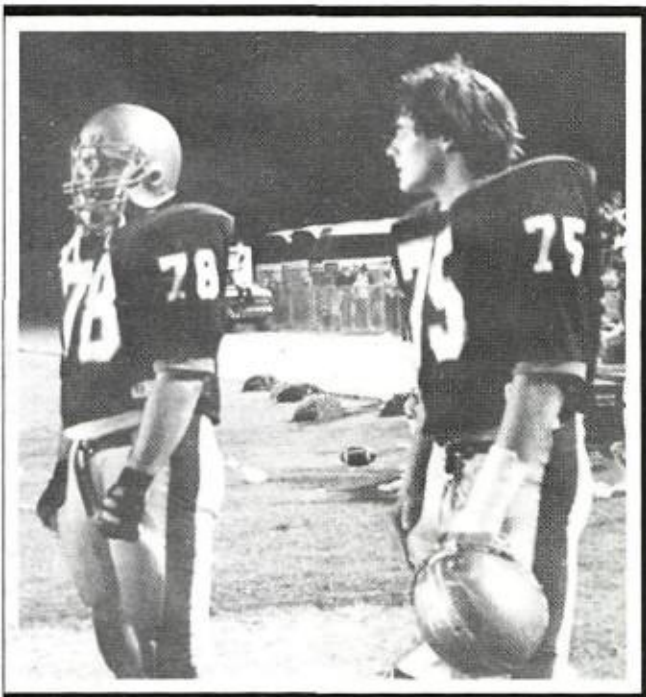

AHS really showed their colors when wide receiver Dean Theriot caught a pass from Brian Poindexter to run 90 yards downfield for a Ram touchdown. The 90 yard pass completion placed Dean into the AHS record books for the longest touchdown reception in Ram history. Troy Jones, still recovering from an ankle injury, made the AHS's final, decisive touchdown. Special recognition went to Malcolm Taylor for his fine tackling maneuvers. Good job, Rams!

AHS:

OVER THE TOP

AHS Flattens Fortier

The sixth-ranked AHS football team "rammed" it to the Tarpons in a wild, double-overtime game, beating Fortier 42-40. The game wasn't decided until the very last play, when Acadiana High's Ram defense stopped a Tarpon two-point conversion.

Guess who made five touchdowns for the night with two being in the double-overtime for the second time in 1984? Of course, it was Troy Jones who also averaged seven yards per carry. His awesome running back capability truly enabled him to be recorded as one of AHS's Most Valuable Players in the school's history. Special gratification also went to Brian Poindexter, Andrew Barron, and Bubba Savell who made the beginning touchdown. Great job, Rams!

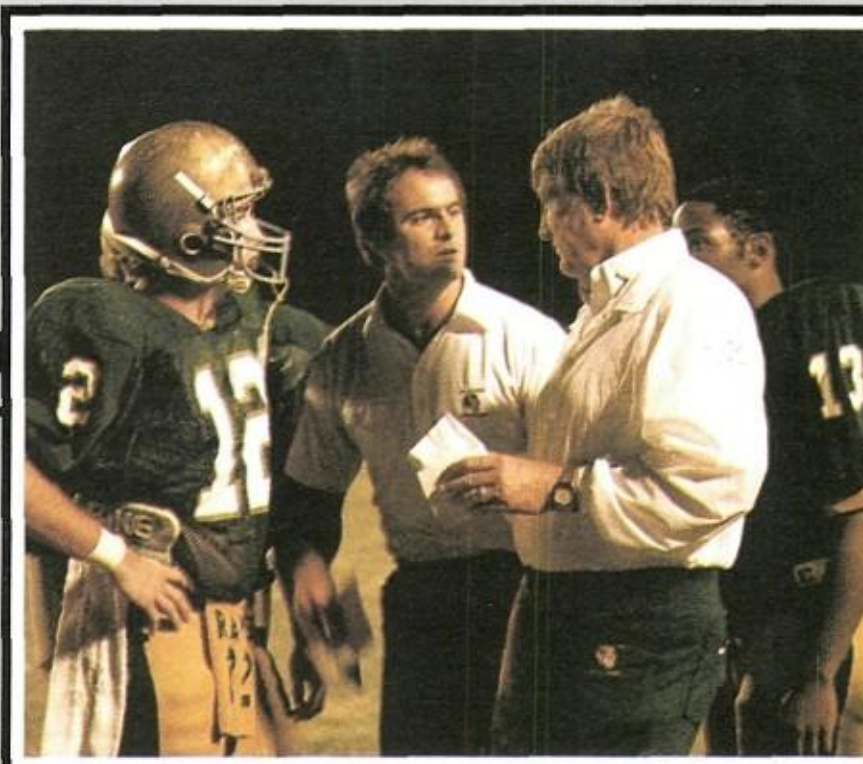

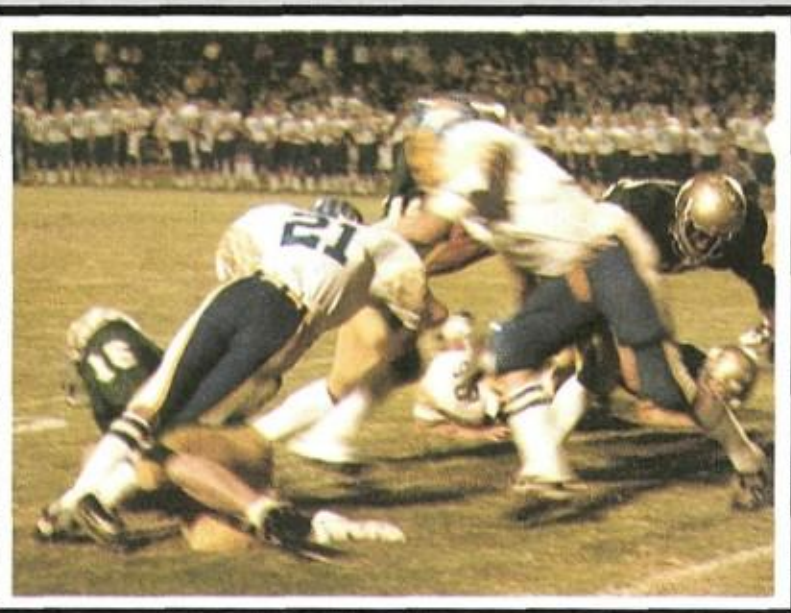

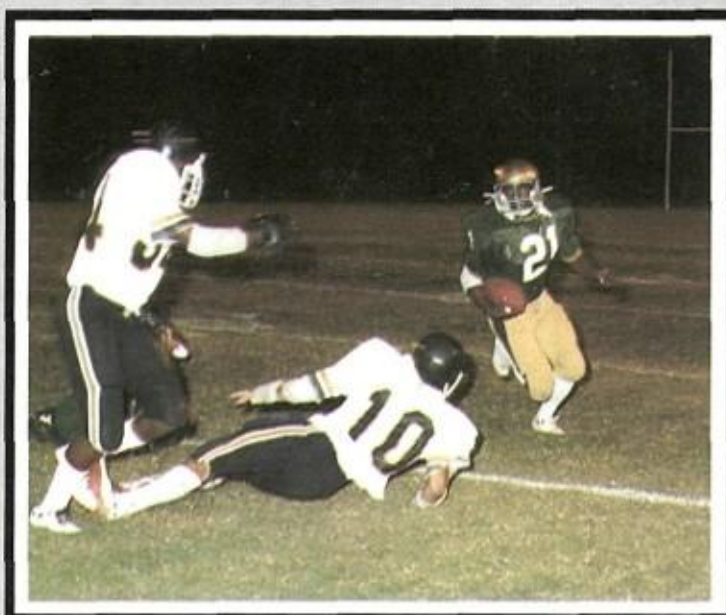

Rams Squish NISH

The next best game to AHS vs. LHS is Acadiana taking on the New Iberia Yellow Jackets, especially when Acadiana beats them 26-21.

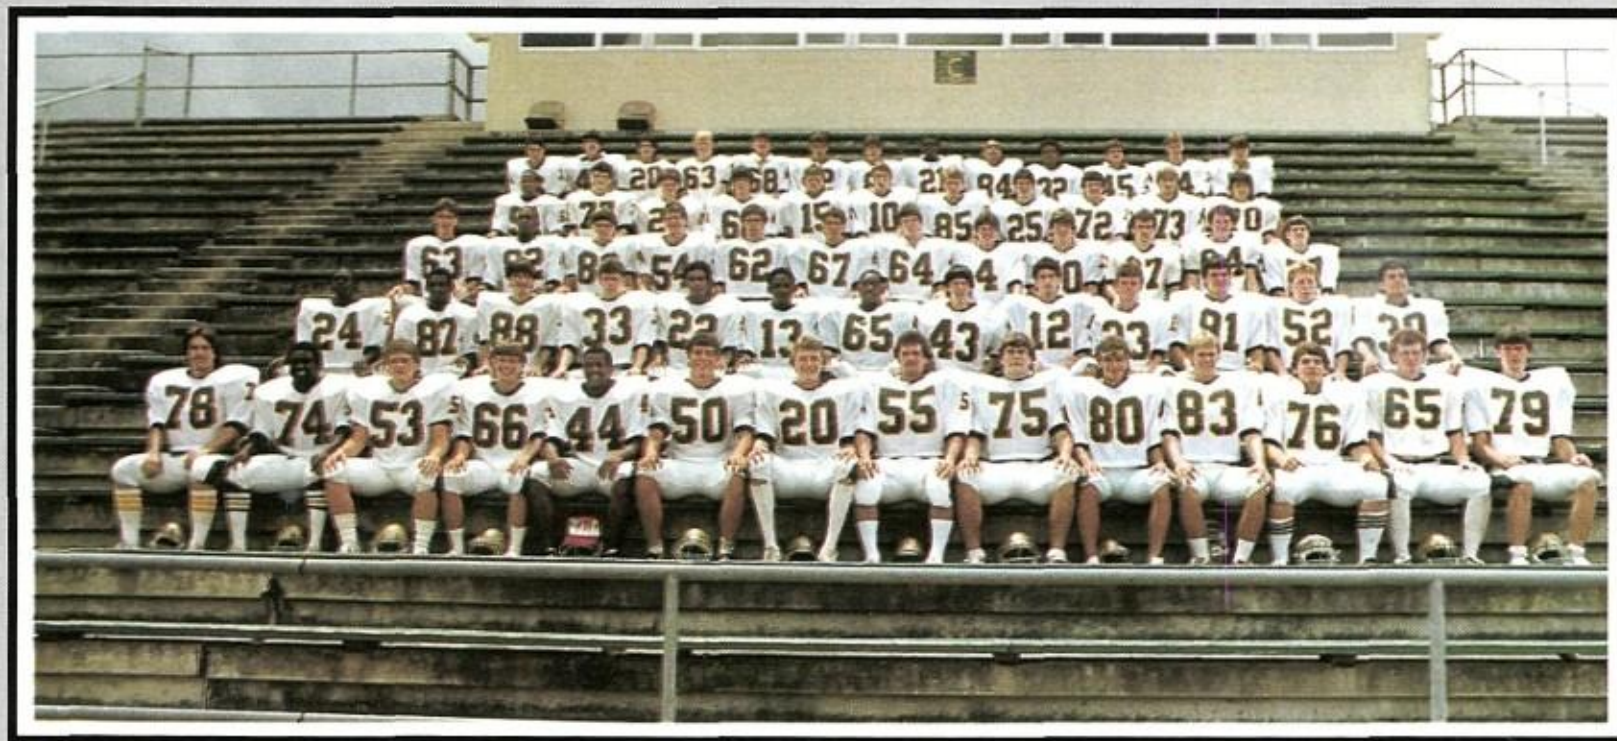

The exciting comeback victory over NISH set Ram spirits high with Troy Jones once again being the star of the game. Troy began the game with a 101 yard starting kick-off return to set the standard for the remaining game time. He also scored all four touchdowns, adding them to his mounting seasonal touchdown record.

The Ram's defensive team had another great game, successfully stopping New Iberia's offensive plays. With Lee Arceneaux's 3 tackles and 7 assists, and Troy Thibodeaux's unbelievable 4 tackles, 6 assists, and 2 fumble recoveries, there was no stopping the Rams' onslaughting pace. Good job, Rams!

AMAZING 10-0 SEASON

Acadiana Crushes Carencro

When the Bears ran the opening kickoff back 80 yards for a touchdown, Acadiana High fans were in a state of shock. They were praying that the whole game wouldn't be like this, but it was anyway, at least it was for the Bears. Carencro had started a pendulum that wouldn't swing their way again and the Rams made a come-from-behind victory, 48-27.

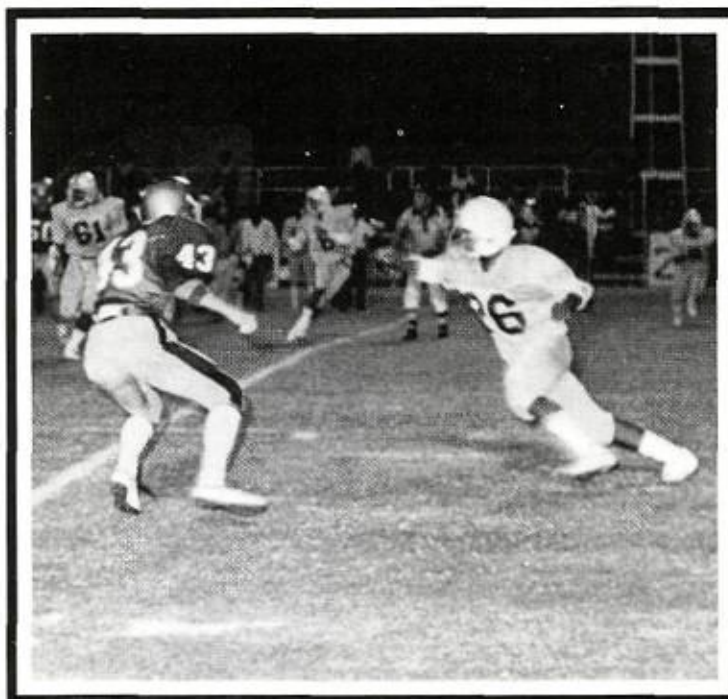

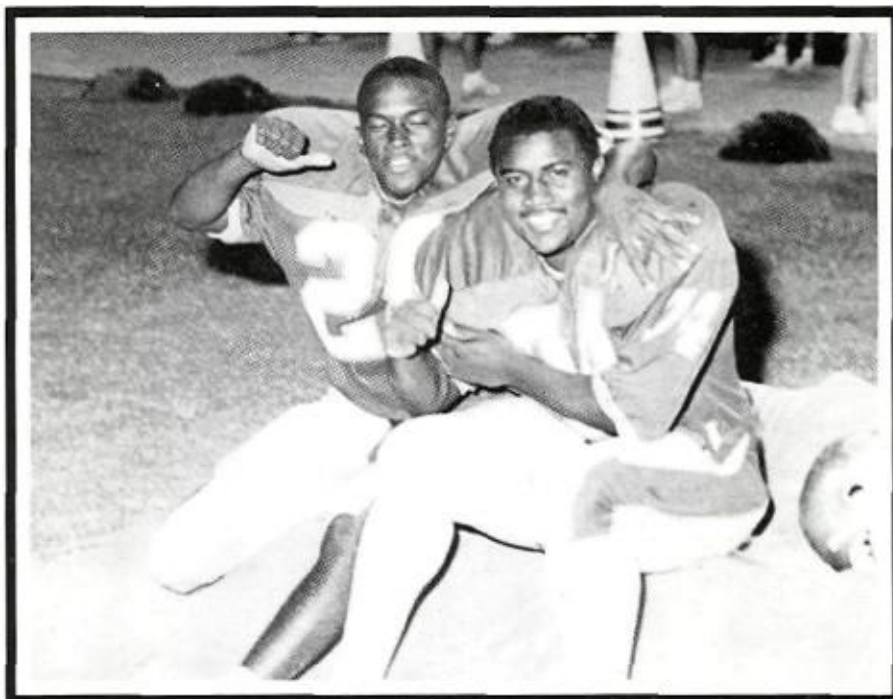

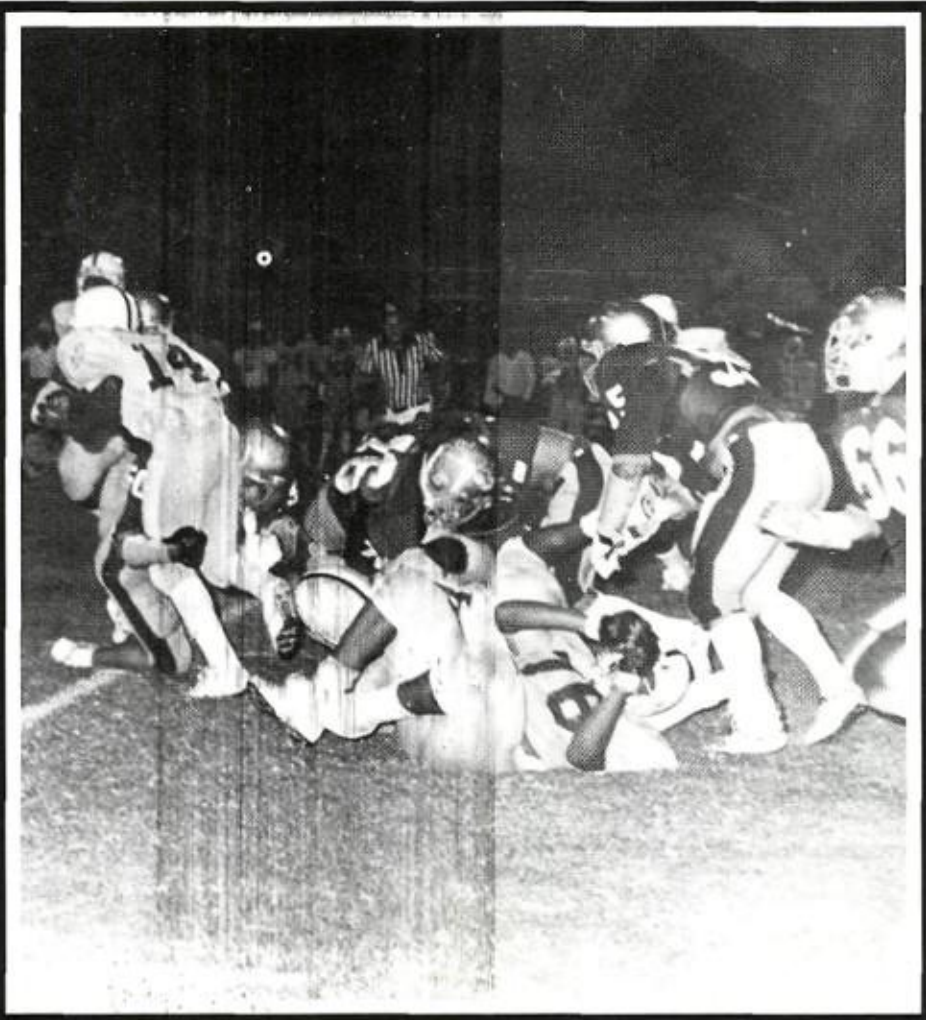

Troy Jones and Brian Poindexter played the game as a "dynamic duo." While Troy carried the ball 21 times, covering 218 yards, Brian worked his way into the AHS record book for four incredible touchdown passes. Troy carried the ball 136 times for a total of 1,021 yards and 20 touchdowns, making his mark as one of the state's leading football players.

The Acadiana Rams established a perfect season record of 7-0 including three district games, as they slowly made their way toward the state play-offs. Great job, Rams!

Rams Kill Comeaux

The Acadiana Homecoming game was successful as usual with a 28-12 domination victory over the Comeaux Spartans.

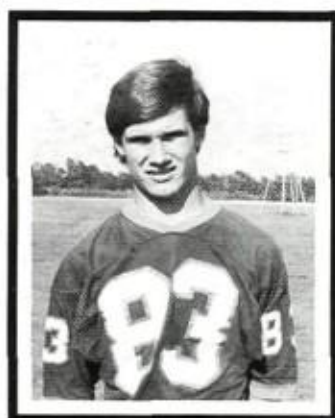

Troy Jones once again entered the record books with his forty-third career touchdown. Also, Lee Gothe had an outstanding game, offensively and defensively. He made a crucial touchdown and captured two magnificent interceptions. Great job, Rams!

Rams Fry Franklin

What's new about beating the Hornets 21-0? The AHS football team with a 9-0 season took another victory in stride and looked ahead to the Lafayette High game.

The game against Franklin was mostly a defensive game. Troy Thibodeaux caught an interception and ran it downfield to make a 62 yard touchdown return. Many superb tackles were made including Lee Arceneaux's seven tackles (three of them solo) and Greg Guidry's six stops. Lee Gothe made five tackles and also caught his fifth interception of the season. A beautifully partnered safety play was made by Doug Granger and Brett Schroeder.

Rams Dominate Lions

The Wreckin' Rams blew the "Mighty" Lions out of the tub, beating them 54-0 (with the point total tying the highest ever in AHS history). The truly remarkable "Wreckin'" Rams dominated the whole game and finished with a perfect season, a first in AHS history. With the 10-0 season, the Rams singly took the 5-AAAA District Championship.

As usual, it was another great night for Troy Jones, especially when he broke the 3,000 yard mark. In the game, he carried the ball 24 times for 228 yards and for five touchdowns. In just nine games he has rushed 210 times for a total of 1,495 yards and 27 rushing touchdowns. Troy is a truly remarkable and outstanding athlete.

Other stars were also out on Friday night such as Lee Gothe, who made three interceptions and established a seasonal record with eight interceptions; Bubba Savell, who made nine solo tackles; and Todd Travis, who ended up with six tackles, kicked six extra points, and recovered a fumble.

The Rams ended the perfect season with a magnificent victory which boosted spirits, preparing the team for the state playoffs.

The district meet held in New Iberia was attended by several of the Cross Country team members. Stacey Walters captured sixth and Bubba Lagasse placed eleventh. Because Stacey placed in the top ten at district, she was given the opportunity to compete at the state meet in Baton Rouge.

Grappling for points in the dual matches, the AHS Wrestling Team concluded the year with an impressive 7 and 2 record. Although the tournament record was not as successful, the team netted second place at both the Lafayette Dual and the Metro Tournament. After finishing third at the Regional Tournament, the wrestlers went to the State Tournament where they placed nineteenth.

In addition to participating in tournaments, the AHS wrestlers also hosted the Acadiana Tuneup Tournament where teams were given the opportunity to warm up for the season. No team points were awarded at the Tuneup.

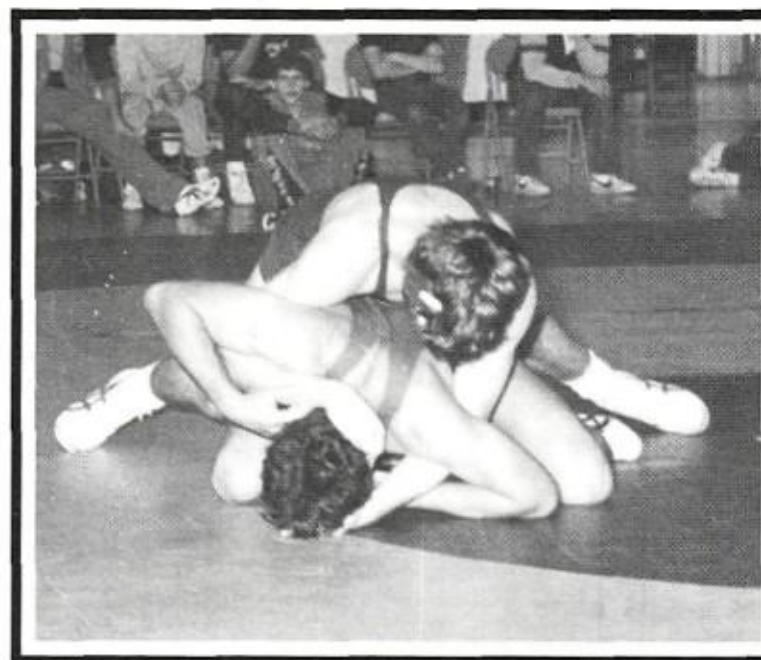

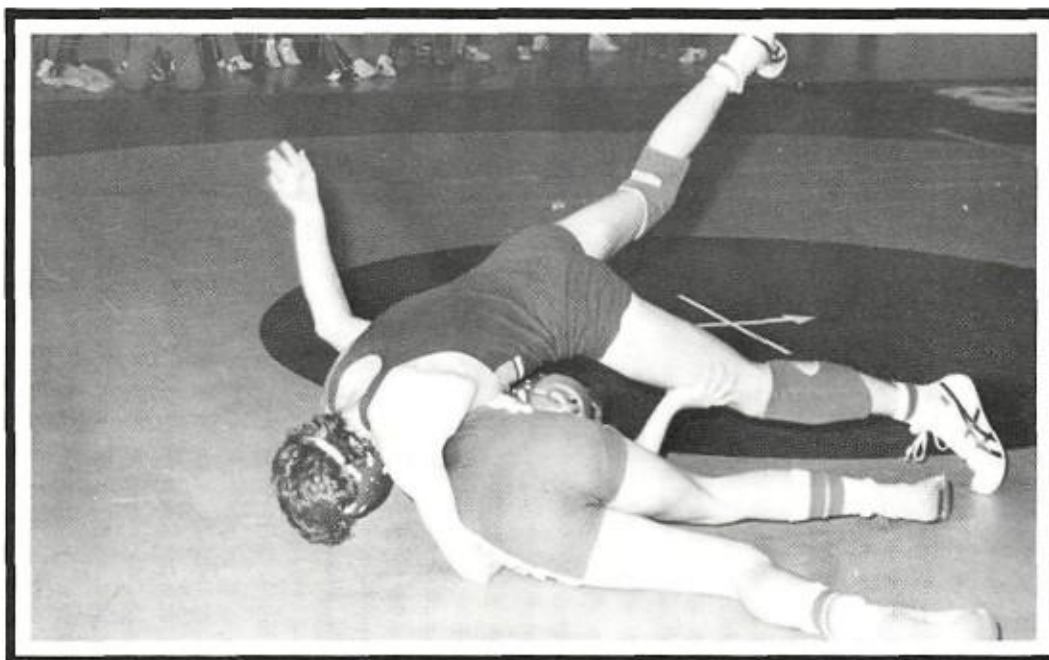

Three seniors, Troy Mercier, Todd Sonnier, and Eric Manuel, will be leaving the team this year. However, five of the seven members who qualified for state will return next year. Scotty Roy, the only sophomore who qualified for state, will be returning.

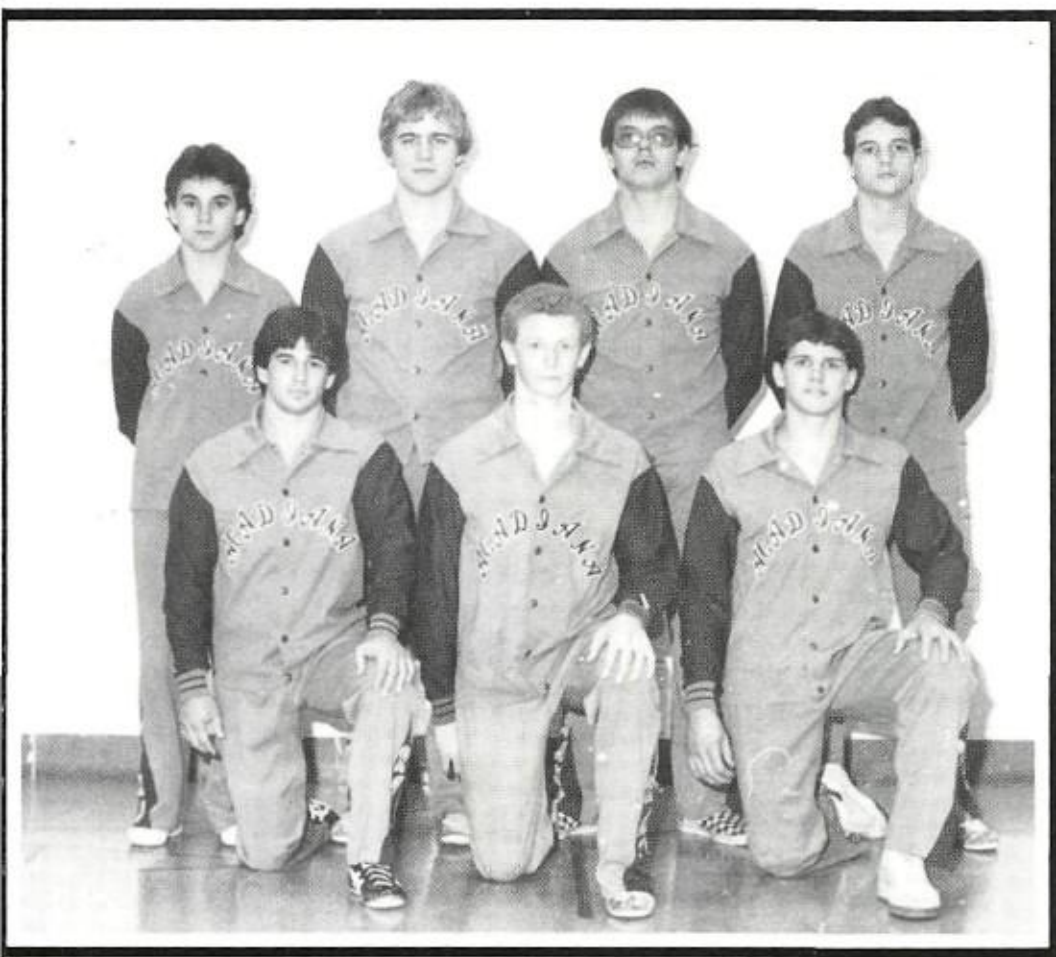

Members of the team were assisted at the tournaments by the Mat Helpers under the direction of their captain, Kim Thibodeaux. The girls keep time and scores at the matches and tournaments and lend general support to the wrestlers.

Golf Team Takes Regional Title

It was a memorable year for the AHS golf team. Not only did the High School Athletic Board cut high school matches from 18 to 9 holes, but AHS also walked away with the Regional title. Acadiana tallied wins over Teurlings by 37 shots, Northside by 29 and Comeaux by 7. Losses came against Lafayette and Carencro both by just one shot. Layne Stelly, defending State Runner-Up shot a score of 73 one over par to take the Medalist Honors home. The regional win qualified AHS for state competition. Layne was also the first student in the AHS sports records to sign a full golf scholarship with UNO.

Ram Hoopsters Make All-District Team

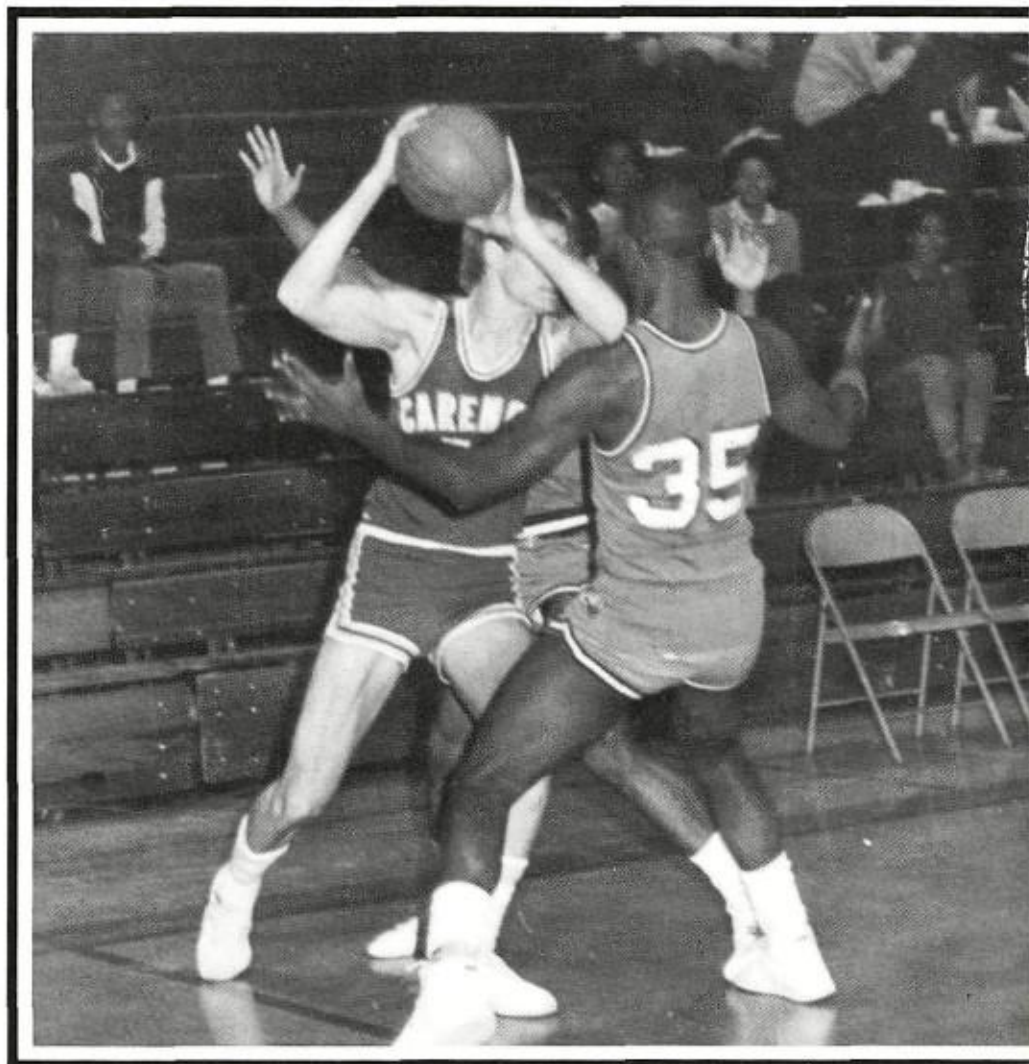

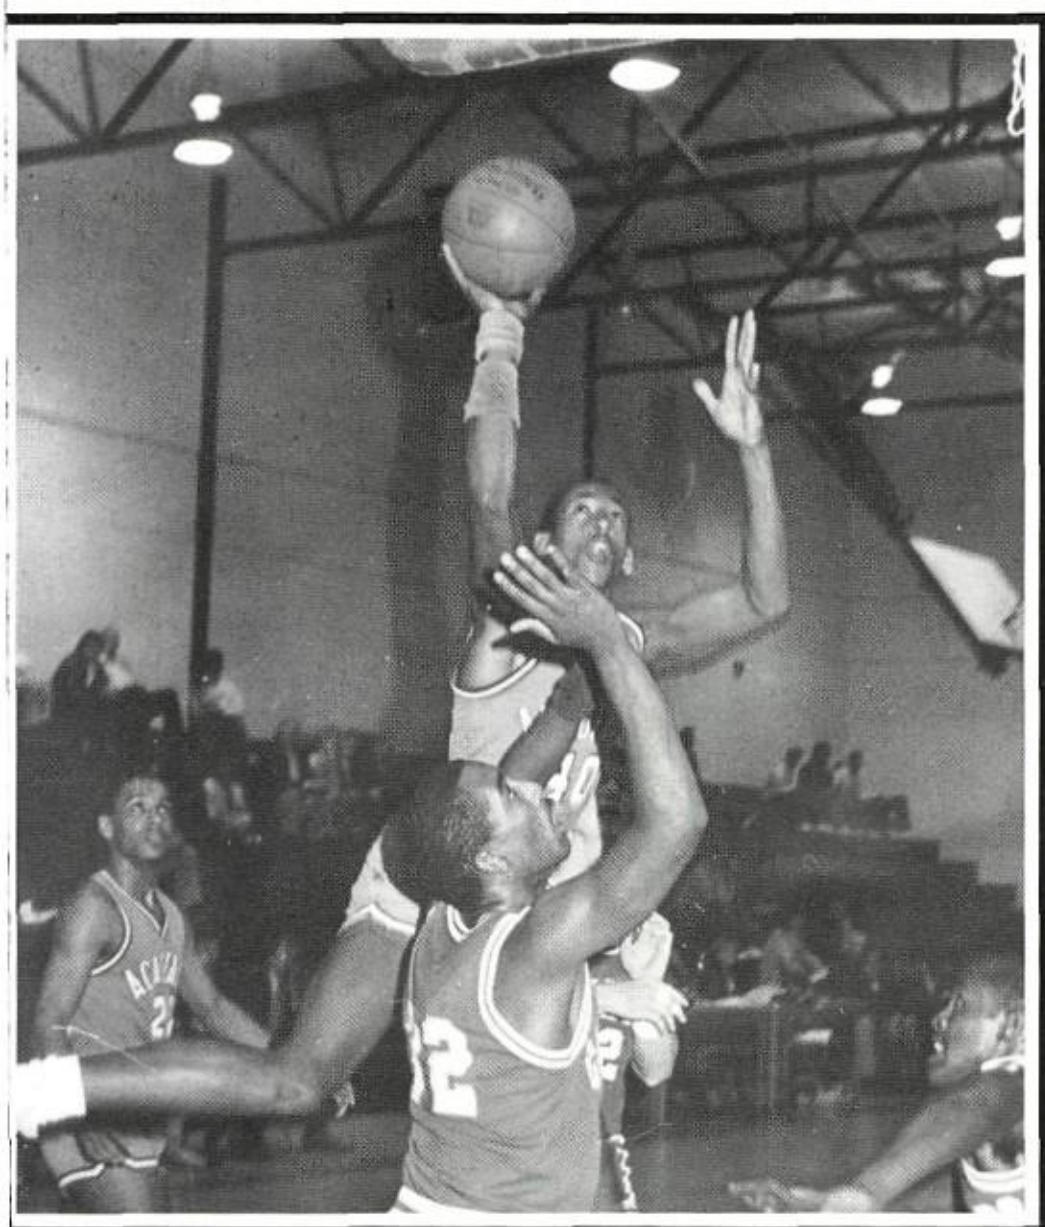

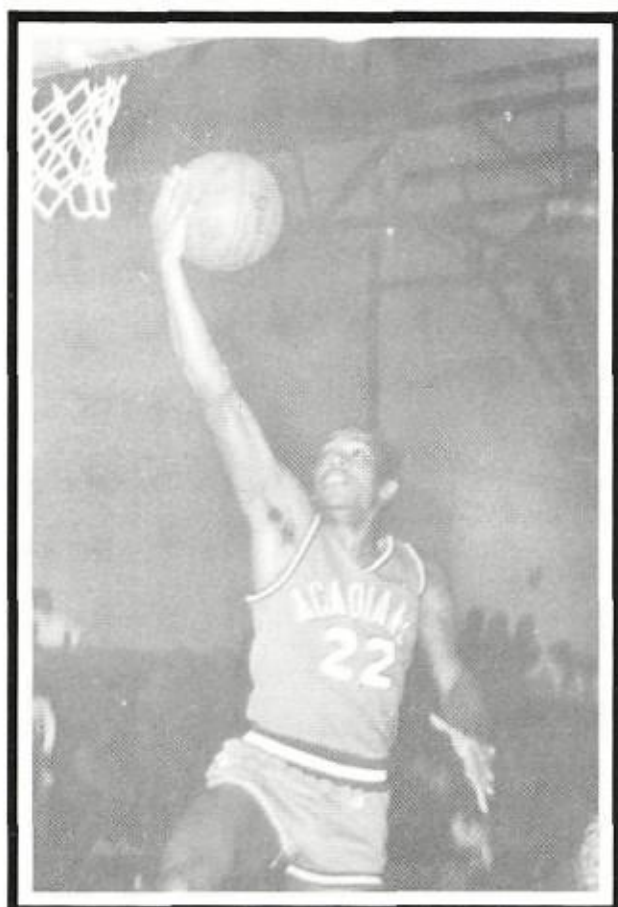

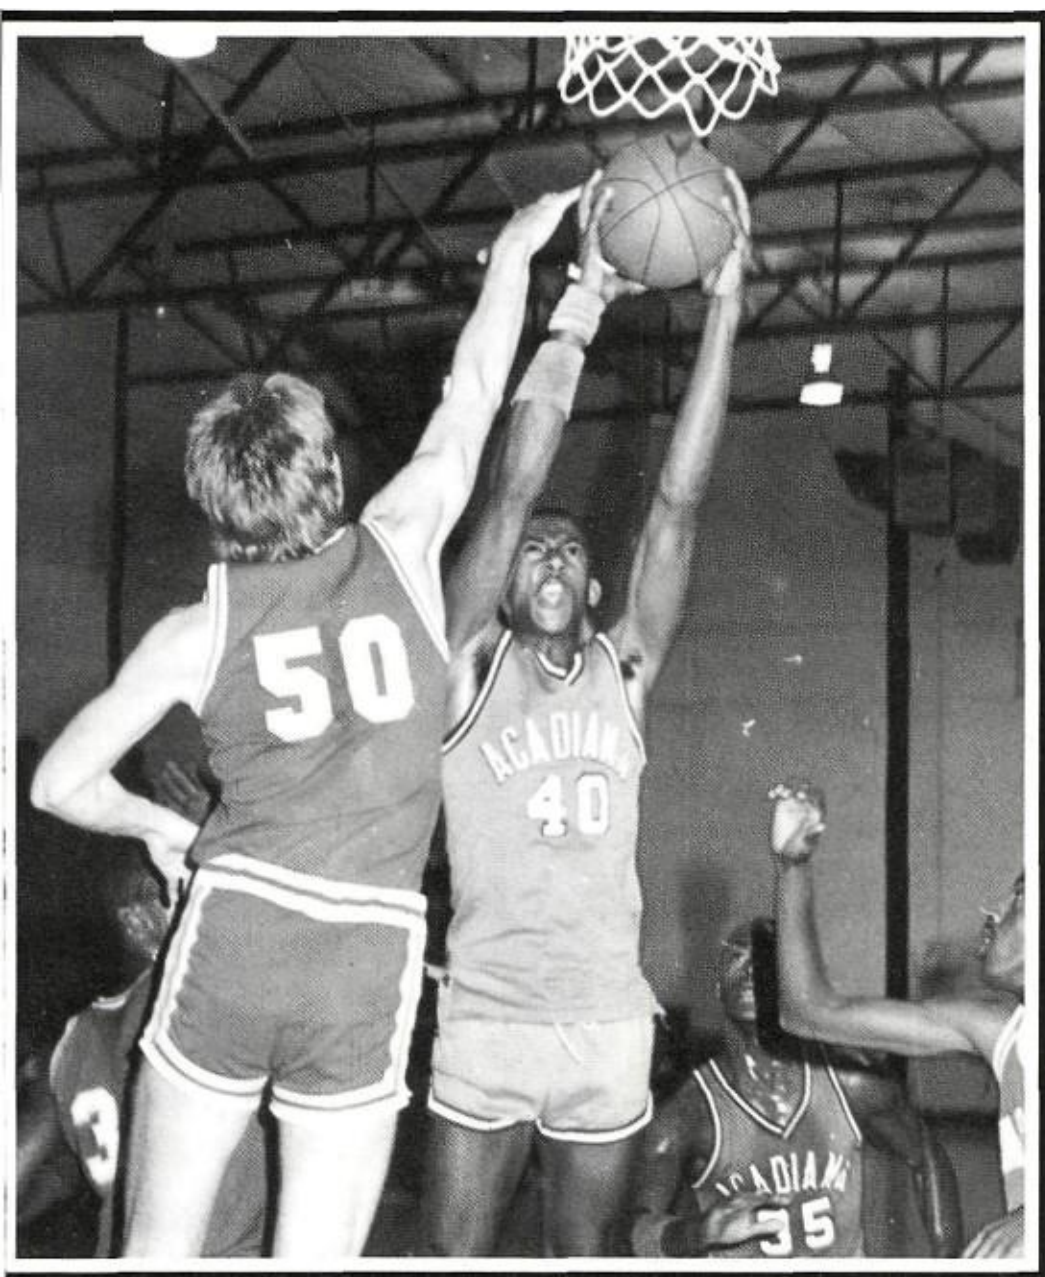

Once again, the words "Good Evening, Basketball Fans," echoed through the AHS gym as the Wreckin' Ram basketball team began another year of exciting roundball action. Coming into this year, Coach Bobby Beene and his troops attempted to fill the shoes of two district championships. Falling short of reaching the playoffs, the Ram hoopsters still pulled off a prosperous season, giving the fans their money's worth.

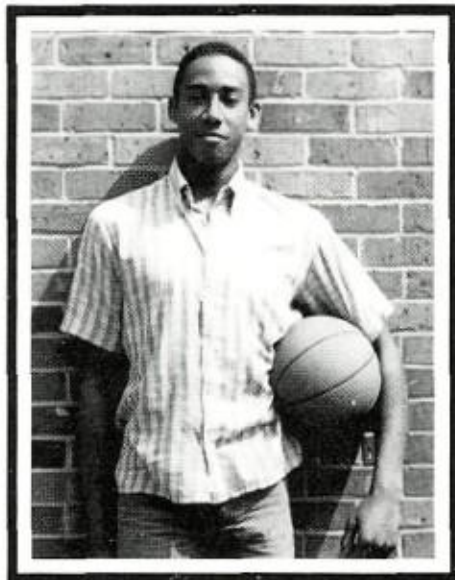

Acadiana placed four on the prestigious All-District Team. Leading the way was Phillip Wilturner, tabbing First Team honors. Gaining All-District Honorable Mentions were Lee Arceneaux, Luther Francis, and Kevin Winters. With three returning starters, 1985-86 holds the promise of another exciting year packed with basketball action.

Kim Perrot and Shawn Antoine were selected as First Team members of the All-District squad while Stacie Kibodeaux received Honorable Mention. For the third consecutive year, Kim Perrot was named District 5-AAAA Player of the Year. She led the league in scoring and for the second year in a row was voted Most Valuable Player. Rams Take District

Winning the district championship and making the state playoffs is a coach's dream. The 1985 Ram baseball squad lived up to their expectations, making a dream come true for Coach Scott McCullough and Acadiana High School. The diamondmen won the district crown in the true championship fashion. Forced into a district playoff game, the Rams came out on top with a 2-0 decision. Next up was the St. Amant Gators, where the district champs suffered their fifth loss. Overall, the team compiled a 17-5 district record. Nailing first team all-district honors were Ted Hebert — pitcher, Bubba Savell — outfield, Bryant Hernandez — 3rd base, and Greg Guidry — catcher. Rounding out the second team and honorable mentions were Fernell Francis, Dean Theriot, Brian Blanchard, Brett Guidry, Chris Stevens, and Mark Lipari. With the loss of eight seniors, the 1986 squad will again try to make a dream come true.

Girls' Softball Finishes 8 and 4

Preparation for the 1984-85 Lady Rams' season began early in November and greatly affected the turnout of the season. The girls participated in many tournaments including Lafayette High's in which the Rams placed 3rd and Opelousas Catholic's where the Rams placed 2nd. Teamwork and determination were important factors which helped the girls to finish 3rd in district. Four of the team members were selected to the all-district team: Tammy Dubose — shortstop, and Melissa Frederick — 2nd base, received First Team honors. Paula Arceneaux — pitcher, and Donny Stelly — Catcher, received Second Team honors. Through a vote of the team members Melissa Frederick was chosen most valuable player, Amy Rogers best sportsman, and Carrie Campbell, most improved.

WE ARE FAMILY

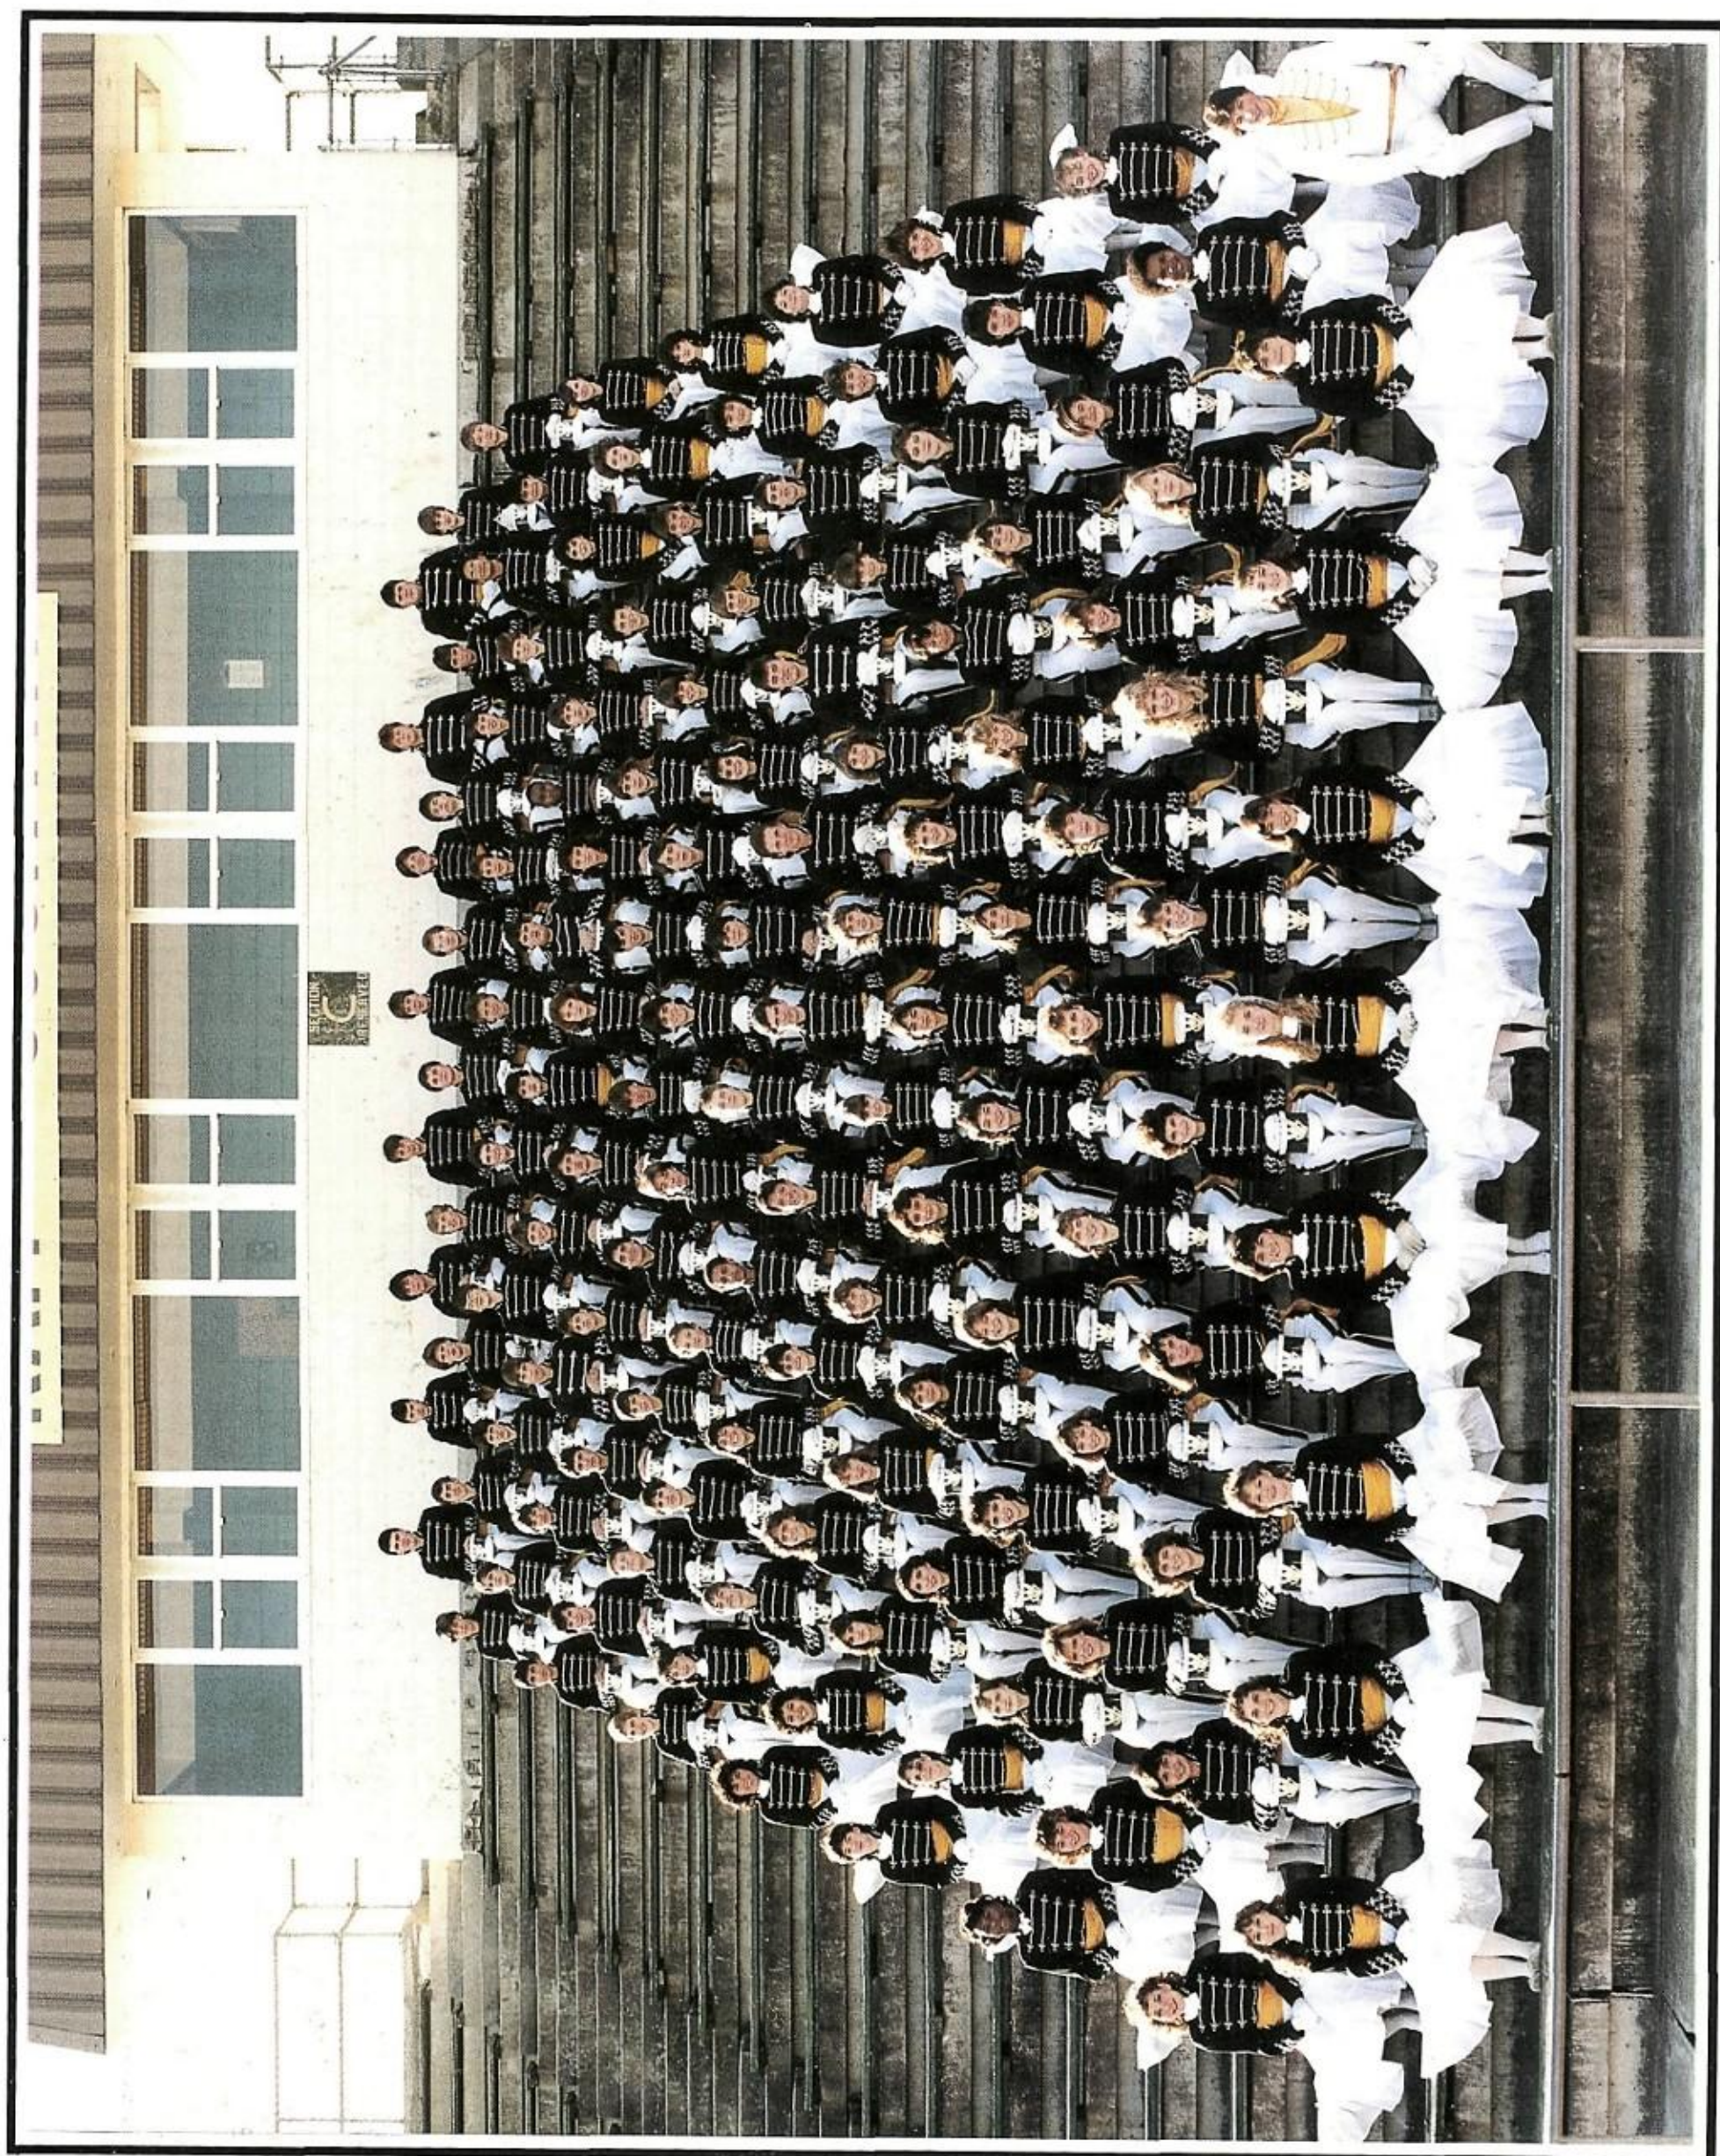

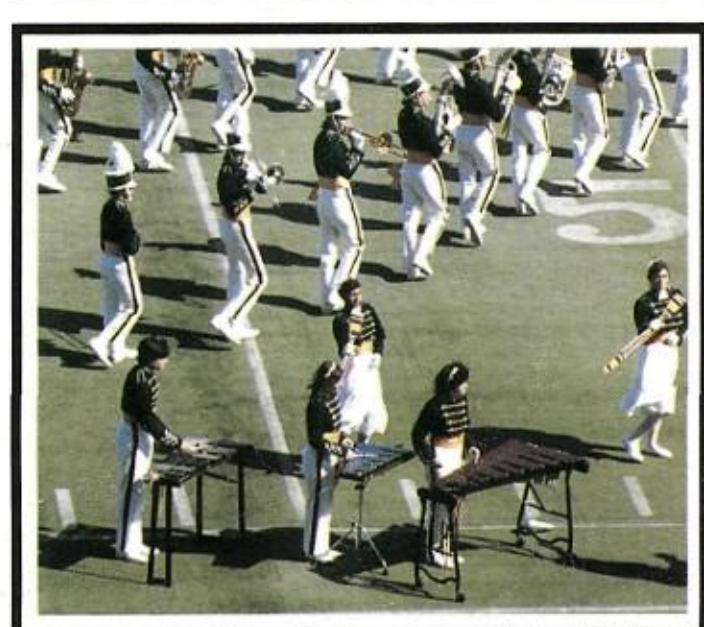

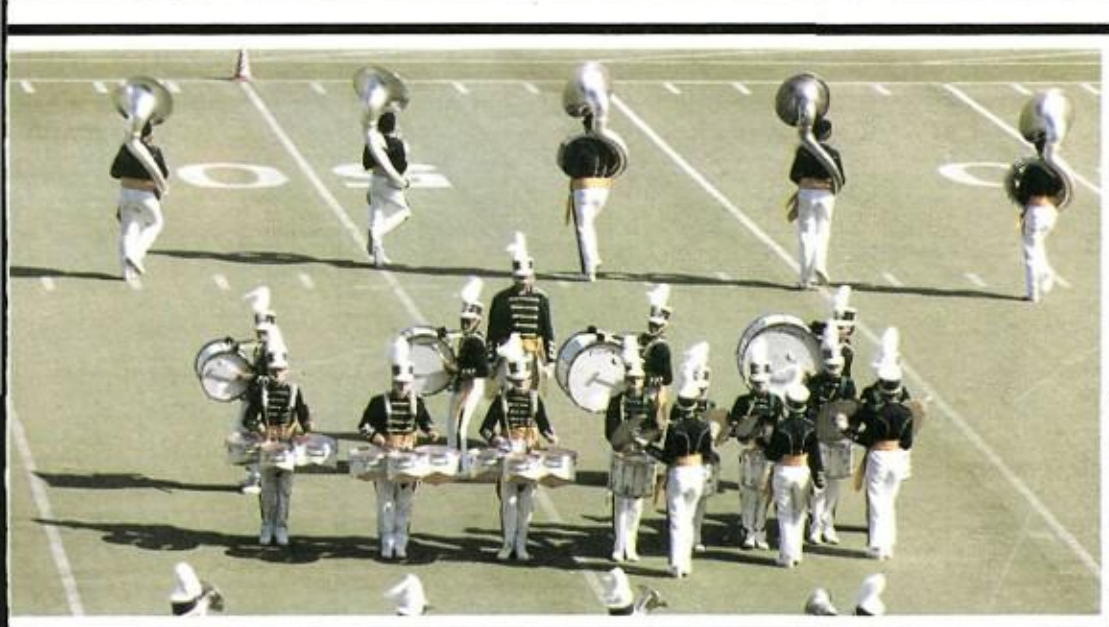

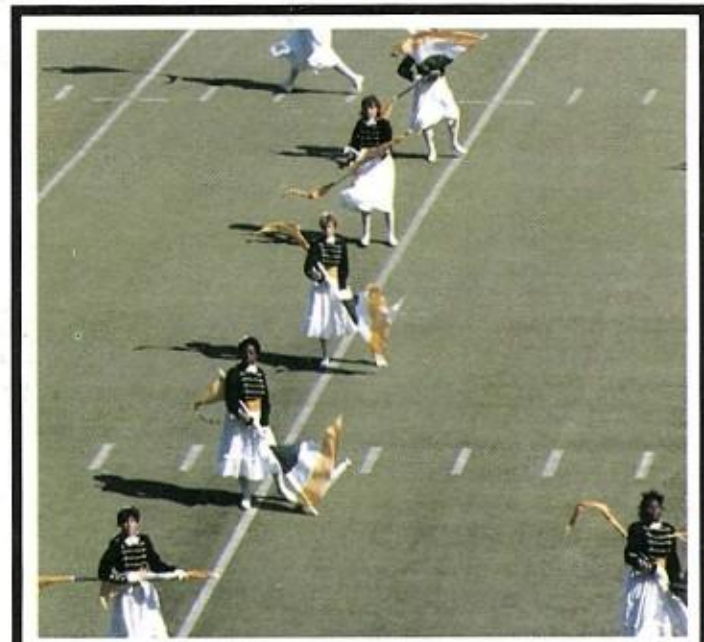

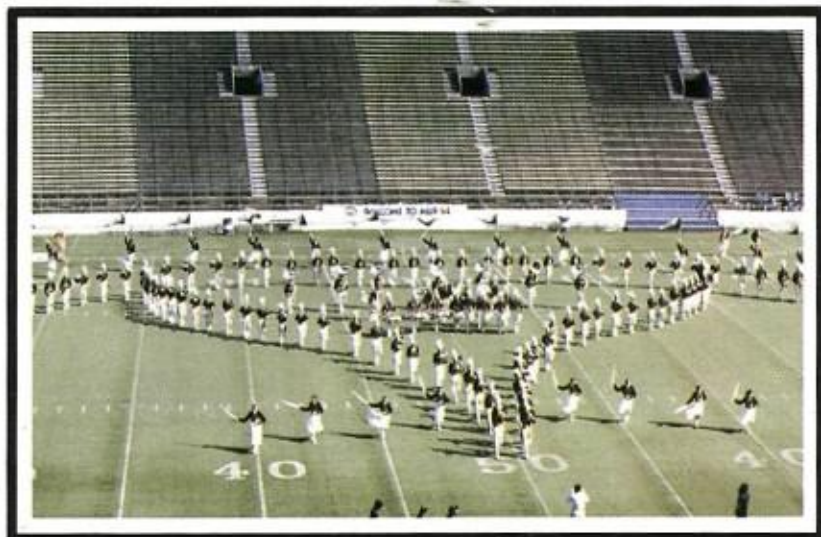

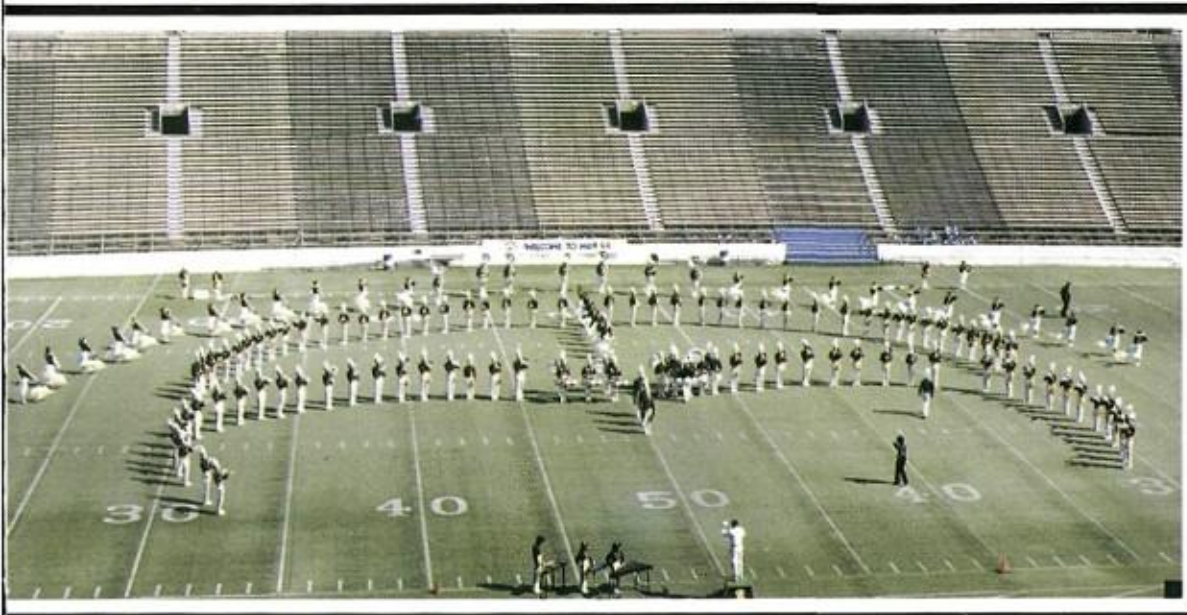

Band Students Bring Home Honors

Being a member of the AHS band is always an exciting and rewarding experience. Though the group is required to practice long hours under the direction of Mr. Gerald Waguespack, they are always filled with a sense of satisfaction that they have united to form a family intent on bringing honor to AHS.

This year the band attended festivals at LaGrange, Morgan City, Acadiana, Sulphur, and Dallas and received all superior ratings. At the Marching Bands of America contest in Dallas, Texas, the band placed first in their division, receiving championship medallions, and placed fourth overall. Rusty Richard was named Outstanding Drum Major of the competition. In Sulphur the band was named Grand Champion for the second consecutive year and the color guard received the Outstanding Auxiliary Award. There were thirty-three bands from a variety of states present at this event.

Eleven band members represented AHS in the 1984 all-State Band. Five made the Symphonic Band and six made the Concert Band. Symphonic Band members were David Hernandez, Gary Edmondson, Julie Chaney, Paula Hosey, and Raymond Goodrich. Concert Band members were Debbie Baudoin, Monica Meza, Heath Broussard, Todd Blanchard, Kyle Dunn, and Matt Kerlin.

Highsteppers Strive for Perfection

Dedication is the word to describe all the hi-steppers that stay through the year. With the many hours of hard work throughout the school year and during the summer, it would be easy to give up. But these girls have given their all, even when there was not that much left to give. It all paid off, though. At camp, they won the Sweepstakes trophy and the spirit pom was awarded to them every day for their good sportsmanship and their lasting enthusiasm which surely shows their striving spirit at Acadiana High.

Male Students Join the Cheerleader Squad

Chants, cheers, mega-phones, and pom-poms all together make up the exciting elements of cheering. But there's another more serious side, that of dedication. Under the direction of Mrs. Jane Dotson and head cheerleader

Celeste Broussard, the squad practiced long hours in preparation for camp.

While attending camp at NSU, the cheerleading squad received all top honors along with three spirit sticks. They were also selected as one of six squads who competed for the highest honor, the Award of Excellence. Lynette Landry was also chosen to compete with five other girls in the category of All-American Cheerleader.

In a daring, innovative move the squad allowed male students to join. The new members of the squad proved successful in boosting the spirit of the crowd.

Ram Mascot Gets New Handsome Face

The mascot of a school plays a major role in generating the school's spirit. And this year's Ram, *KIM HOFFPAUIR*, was no exception. Throughout the year, she loyally supported the Rams by cheering at pep rallies and games. Kim was especially excited with the purchase of a new ram suit that replaced the old wooly ram. The new cooler suit extended the wearing time, thus the cheering time. The Ram's new handsome face features large droopy eyes that simply ooze friendliness. The suit also sports huge leather hooves and fashionable curved horns.

SPIRIT

Junior Varsity Cheerleaders

The JV cheerleading squad fast became a group well known for enthusiasm both at AHS and elsewhere. While attending camp at NSU at the beginning of the season, they excelled in every aspect of competition. The cheerleaders received many superior ratings and learned numerous new chants and cheers.

The squad experienced a radical change in structure this year with the addition of male cheerleaders to aid in forming pyramids and performing double stunts. Two boys were chosen for this year's JV group. The squad participated in games, pep rallies and homecoming activities.

Ram Rousing Pep Squad Boosts AHS Spirit

An essential element to the success of AHS is the pep squad. True Ram Rousers, the squad was always making preparations for creating a spirited atmosphere at AHS. The pep squad prepared for the new year all summer long beginning in July with a week of camp held for the officers. Then a week and a half of camp was held in August for about one hundred spirited girls. There, they learned yells, got to know one another better, made posters and even learned a new marching routine.

To reduce travel expenses the pep squad sponsored a victory dance and collected fees from the girls. During the year, the squad took part in pep rallies and attended all football and basketball games where they showed a tremendous amount of school spirit. The group also gave a social for both teams and was in charge of the Basketball Homecoming decorations.

Even after the season ended, the pep squad still participated in many activities and continued to display school spirit. The sponsors of the group this year were Beverly Williams and Linda Segura.

Science Club Visits Planetarium

Once again, the science club gained new members to show the school's interest in the future. Meetings were held to elect new officers and to make plans for a field trip. This year the club decided to go to the Lafayette Natural History Museum and Planetarium. There, members viewed the stars and other astronomical events that take place amidst the universe. COUNCIL

Student Council Gets Involved

The Student Council of the 1984-85 school year was involved in many activities. A monthly calendar containing the birthdays of all students was hung in the main hall. The group also sponsored a "Kiss a Horse" contest with candidates consisting of Mr. Cavalier and the assistant principals. The winner of the contest was Mrs. Cox who was a great sport and puckered up during a pep rally.

A canned good drive was sponsored by the Student Council as a project to benefit the community by bringing food to the needy. At designated times, doughnuts were sold to the students as a way of bringing a special breakfast to those who had no time to eat before coming to school.

Student Council members attended the Louisiana Association of Student Councils at Lafayette High where they won the Office of State Treasurer.

For Christmas, the FHA'ers stuffed stockings for the Salvation Army and made Easter baskets for the Spring Family Fair. All the proceeds from the Easter baskets went to Cancer Research. They actively participated in the district and parish meetings by making props and delivering speeches. Recognized as Acadiana's Miss FHA was Donna Hebert. Suzie Hargroder was presented with a silver bowl in recognition of winning 1st place in the district Yam Contest. The end of the year banquet featuring a Hawaiian theme was held at The Hilton. KEY CLUB

Key Club Has Active Year

The Acadiana High Key Club, sponsored by Mr. Lawrence Kresse, lived up to its reputation as one of Acadiana's most elite service clubs. Chosen by teacher nomination, the twenty members that comprised Key Club worked on many service projects during the '84-'85 year. Key Club activities included selling football programs, decorating Acadian Village for "Christmas Comes Alive," directing traffic at Festival Acadiens, painting Butler buildings at the Alleman Center and working at St. Joseph's Diner twice a month. Key Club members also cleaned the parking lots after home football games and assisted at Open House. In May, the Key Club also helped the Kiwanis Club with their annual barbeque.

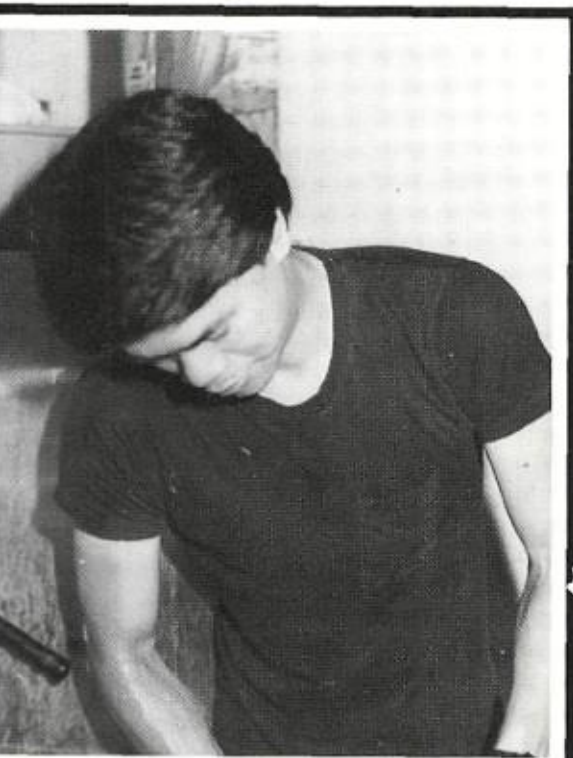

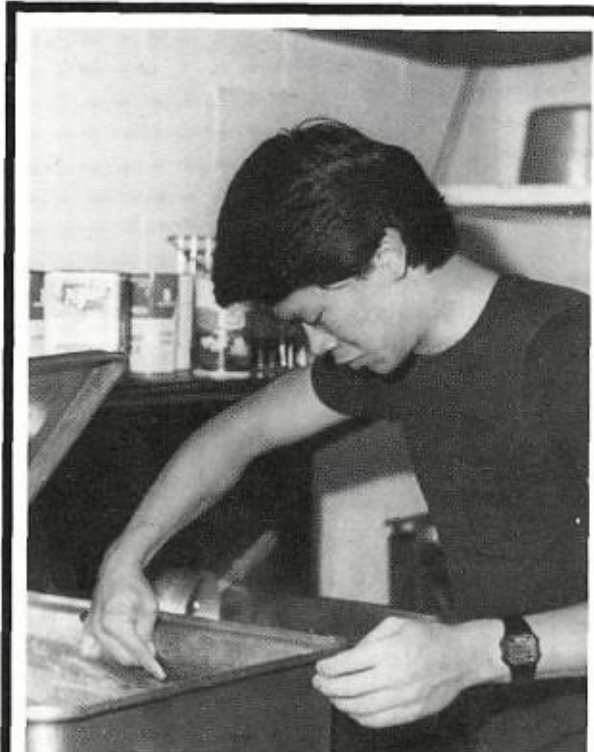

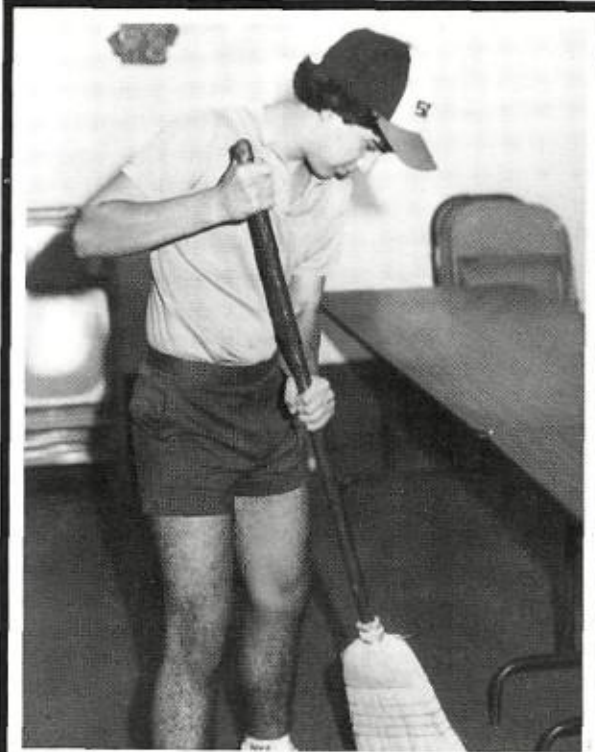

Socials were held during the year with the Girls' Service Club after joint service projects. For Halloween, money was collected for UNICEF, and for Christmas, members went carolling at a nursing home.

Ten members attended the Key Club District Convention in New Orleans. Arthur Young was elected as the new Lt. Governor of Division 7a.

Rampage Wins Awards

Investigating ... Reporting ... On the move ... *Rampage* Staff! With guidance from Mrs. Kathy Mosing, the 1984-85 *Rampage* staff completed a successful year of both searching out and reporting the school news. The editors for this school year were Allyson Melancon and Anna Lentjes. The staff was composed of thirteen seniors and six juniors.

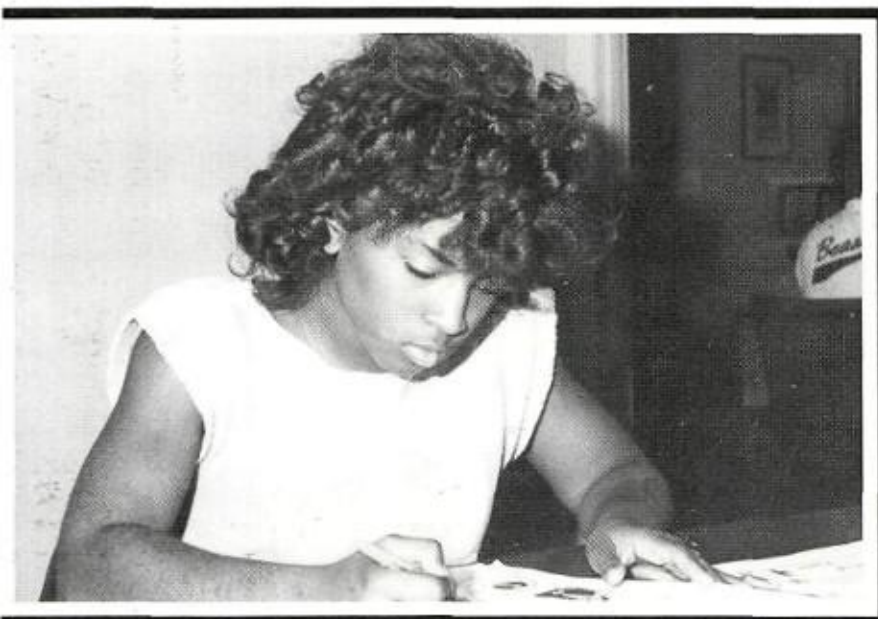

This year, the *Rampage* staff won the American School Press Association Contest which judged the newspaper's creativity and content. Attending District Literary Rally in Journalism was Kathy Welp who placed 2nd. The journalism award given to the outstanding *Rampage* senior was presented to Vicki Chauvin.

With the help of their new word processor, the 1984-85 *Rampage* staff carried on the tradition of successfully relaying news that was more accurately produced.

National Honor Society Completes Service Projects

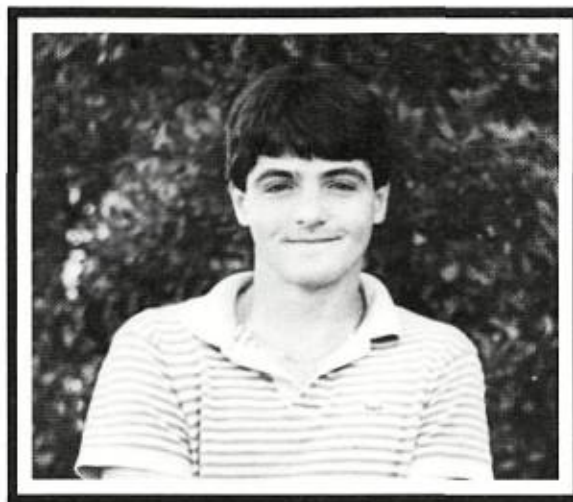

The Acadiana High School chapter of the National Honor Society initiated several group service projects this year. At Thanksgiving, the members and sponsors put together a basket composed of canned goods, fruits, and a large turkey and brought it to a needy family in Lafayette. Food and Christmas presents were supplied to another needy family at Christmas time in what members considered to be a very enriching experience. In March the NHS sponsored the annual blood drive at AHS working together with the United Blood Services of Lafayette. The members also performed individual service projects on which they turned in reports to their respective sponsors. All in all, it was a very successful year for the group.

The French Club participated in Foreign Language Festivals at LSUE and USL. The group also attended a convention in Alexandria, competed at Rally, and attended a regional officers' meeting where Paul Miller was chosen regional president.

Foreign Language Week found the French Club working hard, but having lots of fun. Members hung signs and colorful posters around campus to promote the French language and culture. Elementary schools were treated to the club's French production of "Little Red Riding Hood."

Other activities included a competition in a Parish Poster contest where Chancey Martin placed second and Karen Thibodeaux placed third. A cooking contest featuring both French and Acadian foods was also held in May. In addition, the club hosted the regional Alcfe picnic.

Beta Club, one of Acadiana's honor clubs, participated in various activities to benefit the school. Early in October, the annual membership drive was held, followed by a candlelight induction for the new members. The Annual candy cane sales at Christmas proved to be very successful. Students found pleasure in not only receiving the candy canes before Christmas, but also in buying them for their friends and teachers. The club's district convention was held in Breaux Bridge. Members attended and placed second in school competition. At the end of the year, the club participated in the March of Dimes Walk-A-Thon. The year proved to be a very big success as the sponsors and members eagerly participated in many activities.

Acadiana has a new club that has been added to the school program. P.R.I.D.E. is a club concerned with the brotherly relationship between all people. This year the P.R.I.D.E. organization took a trip to the World's Fair to visit and learn more about the many different places in the world. The group also hosted a Black History program in February. Individuals made posters to display in the cafeteria, while entertainment was provided by participating parish schools. Groups sang, danced, and gave humorous interpretations. Guest speakers also focused on black history topics. P.R.I.D.E. is sponsored by Ms. Louella Cook.

Judging Teams Vital to FFA

One of the most important aspects of the agricultural program is judging team competitions. Our FFA competes with a Senior Chapter and a Freshman Chapter. In the Area III contest, sixty of the top teams from Southwest LA compete to determine the teams eligible for state. The Milk Quality team placed 2nd; Freshman Dairy Cattle judging team placed 4th; Senior Livestock team also received 4th; Senior Poultry judging team ranked 5th and the Freshman Poultry judging team placed 7th. At the Top 16 State Contest, the Milk Quality team placed 5th.

Major award winners for the year included Bart Hains who received the Star Chapter Farmer award. Named as outstanding senior was Dion Alleman; outstanding juniors were Stephanie Brasseaux and Jason Boudreaux and outstanding sophomore was Troy Dartez. Star Greenhand awards went to Scotty Mire and Glenn McCall. Freshmen, Tony Touchet and Greg Foreman, and seniors, Damon Menard and Dirk Menard, all received Leadership pins. At rally competition, Glenn McCall placed 3rd in Ag I; Tony Credeur received 3rd in Ag II; Jason Boudreaux placed 2nd in Ag III; and Bart Hains received 1st in Ag IV.

Leo Club Serves Community

Being in a service club means helping with various community activities, and that's just what the Leo Club did this past year. They not only worked on a local level at events such as the Festival de Acadien, Spring Family Fair and Christmas Comes Alive program, but they also helped with national projects including holding a "Shamrocks for Dystrophy" collection, helping with the Jerry Lewis Telethon, and collecting donations for St. Jude's Hospital.

To compensate for this hard work, parties and socials were held for the club members. The end-of-the-year social was held at the Scott Lion's Club.

The end-of-the-year banquet was held at Don's Seafood Hut. At that time, members of the month were recognized and awards were distributed. Named Member of the Year was Kathryn Broussard.

The club was also honored by a visit from the FBIA state president, James "Benjy" Dailey, from New Orleans. He spent the day getting acquainted with AHS students and attended the banquet that night.

MUSIC COMES ALIVE IN '85

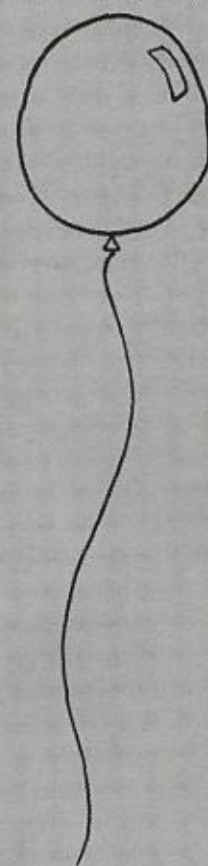

Pop Concert Reveals Variety of Musically Talented Students

AHS Chorus "Comes Alive" in Pop Concert

The AHS choral department "came alive" as they presented a special musical performance for the students on May 10 in the boys' gym. Against a backdrop of clusters of multi-colored balloons planned by Julie Morales and Susan Mouton, "Grease" highlights, country, zodico, and soul selections were rendered by chorus students. And the music did "come alive" with the performances of "Mountain Music" by Farrel Foreman, Todd Clement, Raymond Johns and Brian Ozenne; "Easy Lover" by Julie Guidry and Jacqueline Bertrand; "Crazy for You" by Lisa Porter; "Old Time Rock-n-Roll" by Damon Constantine; "Don't Mess With My Toot-Toot" by Farrel Foreman (special guest appearance by Rusty Herring) and numerous other selections. But the real hit of the program was the choreography and performance of Forrest Chassisson, Raymond Johns, Marc Landry, Reggie Washington, Mike Hebert and Brian Ozenne as they sang the lyrics and danced to "Jungle Love" and "When Doves Cry." Under the direction of Mrs. Fran Hebert, the choral department can certainly take pride in their talent and dedication to one of the purest joys on earth — music.

Several awards were given to the group including the Sweepstakes Award at the USL Music Festival, and at the Solo Ensemble Festival at USL. The group also participated in the State Rally, generally ranking superior. A trip to Nashville, Tennessee to perform in the Nashville Heritage Music Festival was also successful when the group was awarded 1st place. After flying to Nashville, students were also able to tour the city where they viewed the stars' homes. A trip to Opryland provided entertainment and exposure to a variety of musical forms. The chorus was also active in the production of the Pop concert.

Trip to Spain Proves Educational

The Spanish Honor society is a national organization for Spanish students who have maintained a high average for three semesters. This year 23 members were inducted. They were: Cindy Ardoin, Wilma Babino, Brian Blanchard, Nichole Broussard, Cory Clifton, Mark DeShazer, Erica Francis, Kathy Gill, Kim Hoffpauir, Rebecca Hollingsworth, Dwight Kaufman, Lisa Le, Keli Marsiglia, Mary Matese, Doug Palombo, Tiffany Parrish, Carol Patin, Mayra Rodriguez, Staci Stover, Stacy Thornton, Ben Waggoner, Beth White, and Craig Yarbrough.

The Spanish Honor Society sponsored a young boy, Adrian Costa

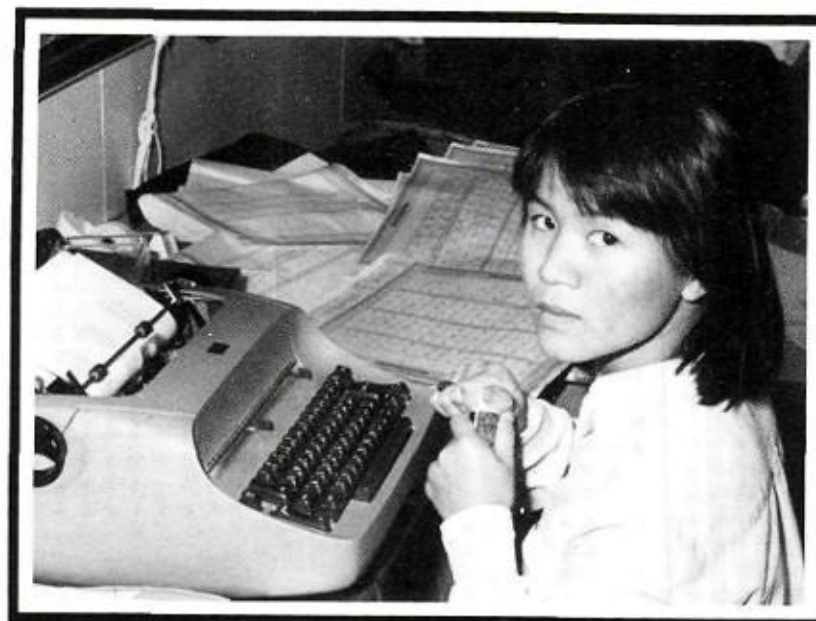

from Uruguay, through the Salesian Missions. Each month they send money to the mission in Uruguay for the clothing, education, and feeding of Adrian.

The society also raised money for the annual scholarship to study in Saltillo, Mexico. This year's recipient was Kim Hoffpauir.

Once again the group sponsored a trip to a Hispanic country. This year a group of 39 students travelled to Madrid, Spain. While they were there they visited the Royal Palace in Madrid, The Valley of the Fallen, the cities of Avila and Toledo, and viewed the Roman Aqueduct and the famous Alcazar in Segovia. The trip proved to be a very educational experience for everyone.

Pica People Create New Sections

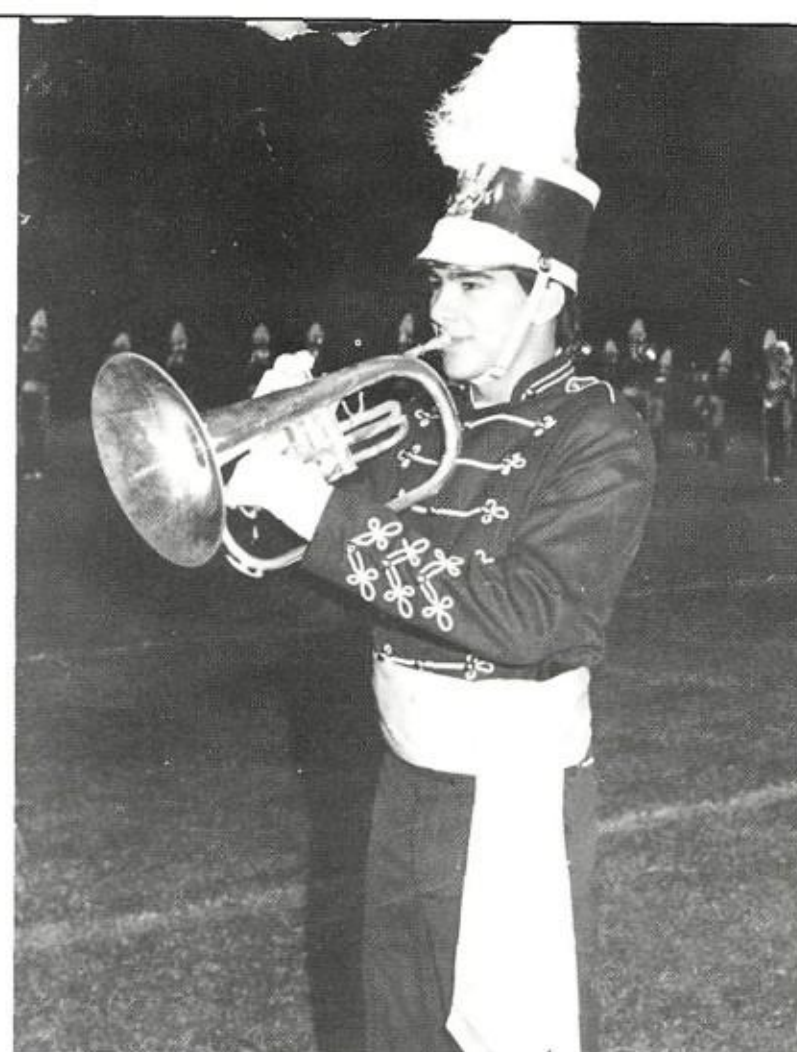

As soon as last year's books were distributed, the old and new members of the 1984-85 staff started on a new book. The staff worked hard selling ads and planning layouts for another successful book. This year's members spent many hours creating new sections in the yearbook including "Trends of the '80's" which presented a student survey, "In Pursuit of Cash" which spotlighted working seniors, and "Senior Profiles" which honored outstanding seniors. When the staff wasn't hard at work drawing layouts, taking pictures, and writing copy, they were often searching for new designs that would continue to ensure a contemporary publication for the students of AHS.

Editors for the year were Melodie Arceneaux and Cory Gordon, both three-year veterans on the staff. Not only were they in charge of the senior farewell and profile sections, but they also designed the opening section and worked closely with other staff members. Chi Phan handled the staff's finances and served as typist. Heading up photography was Brian Richard, assisted by Sean Hundley and Arthur Young.

PROFILES

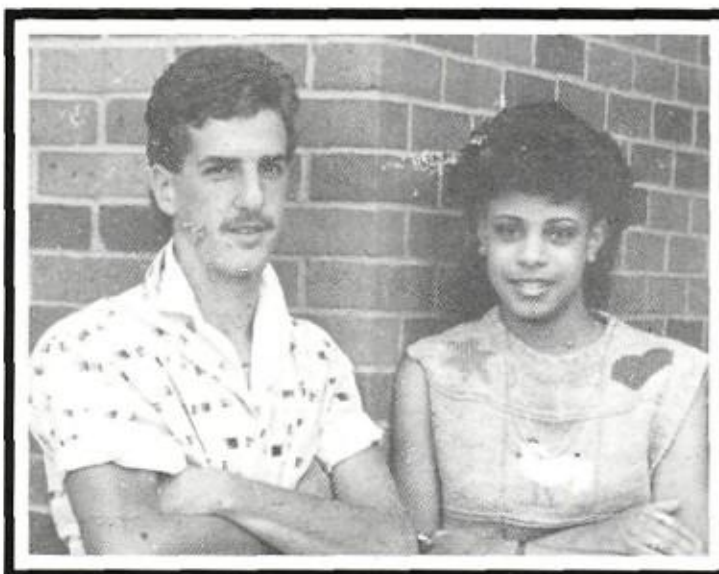

ABOVE: Known for his striving for inconsistency, **BRANDON ELLIOTT** was a member of the Science Club, Leo Club, the Quiz Bowl Team, and vice-president of the Speech Squad. His scholarly endeavors netted several scholarships including one from USL and one from Florida College. Since his favorite subject was World History, it is only natural that he will pursue a degree in law.

ABOVE: Although she was an AHS student for only two years, **PAIGE GUIDRY** was elected senior class treasurer and treasurer of the Leo Club. She participated in the Junior Miss program and was selected Queen Triton VI by the Krewe of Triton.

AT RIGHT: A member of the Leo Club, yearbook co-editor and Hi-Stepper captain, **CORY GORDON** enjoyed dancing, modeling and snow skiing in her spare time. She plans to attend LSU to pursue a degree in business and then open up her own. The "sense of family" at AHS was especially memorable for Cory.

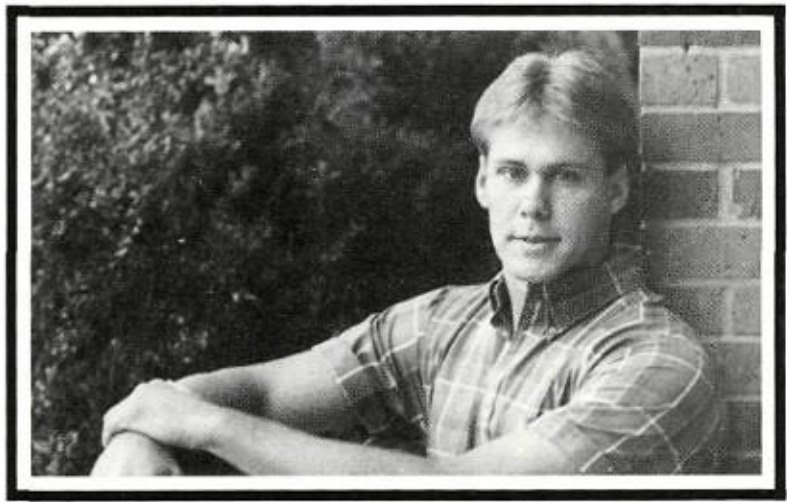

A Ram baseball player for three years, **BRIAN RICHARD** was also a Leo Club member, secretary of the Science Club, and the yearbook staff's photographer. He especially liked AHS's sense of unity and pride, qualities that Brian himself has exhibited.

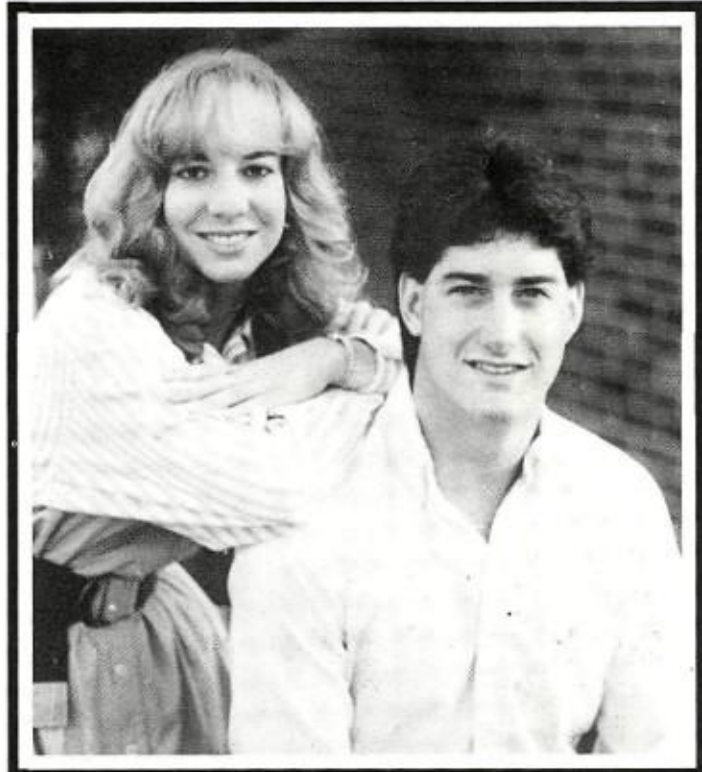

AT LEFT: **MARC LANDRY'S** personal motto, or maybe it's his goal in life, is "to love a dozen dozen," like the Cavalier poets of 17th century England. Named one of AHS's first male Varsity Cheerleaders, Marc was well known for his dancing and singing talents. A member of his church choir and the Scott Youth Group, Marc also belonged to the Leo Club and served as French Club historian. **THERESA THIBEAUX** believed in getting as much as she could from life. And she did just that as senior class reporter, a *Rampage* reporter, vice-president of both FBLA and PRIDE, and a member of Leo. Known also for her beauty and poise, Theresa was Senior Class Sweetheart, a maid on the Football and Basketball Homecoming Courts and a maid on the Miss Merry Christmas Court. She sees nursing in her future.

AT RIGHT: **MELODIE ARCENEUX** excelled in many ways at AHS. She was voted Miss Merry Christmas and was elected to the Football and Basketball Homecoming Courts.
